Re: Fiscal Year Report – Asset Forfeitures Accounts – FY 2022-2023

As required Georgia House Bill 122, listed below are all deposits, withdrawals, and expenses for the Pre/Post Condemnation Accounts for the current fiscal year to the date of this memorandum and since my last report submitted to the Carl Vinson Institute of Government. Also included is a property log which I maintain reflecting all property seized under asset forfeiture during this period to include the disposition of said property.

Is also should be noted that these amounts may be slightly off based on interest and banking costs for all accounts and timing delays because of the budgeting process of the city. It should also be noted that after posting this and other similar reports to the Carl Vinson Institute of Government, the data in these reports are subject to change based on various factors to include later reconciliation with the City of Valdosta Finance Department, court orders, return of funds, etc.

Copies of these logs for these accounts are forwarded on a quarterly to Mrs. Vicky Taunton in the City Finance Office for audit review. These logs include all deposits, withdrawals, and expenditures made by the police department and as featured below.

Please feel free to contact me if you have any questions regarding this matter.
