The $1,110 federal currency sezuire is from the sale of a 2005 Dodge Durango that was subject to a federal seizure over 10 years ago. The vehicle was driven by police department personnel until November, 2022 when it was sold on GovDeals. The money was then mistakenly put into the wrong bank account that is not related to law enforcement by city accounting staff. In January 2024 accounting staff located the error and realized they had not reported the sale of the vehicle to the police department. Accounting staff then transferred the money into the correct account which was the federal seizure account.
