The Fulton County Police Department, in compliance with both the spirit and intent of the law regarding reporting of assets forfeited under the applicable Georgia forfeiture statutes, reports the following;

Per House Bill 122 the Department is providing the following information:

The Fulton County Police Department was awarded by Court Order $3996.27 in cash and a 2001 Ford F-150 pick- up truck valued at $7,800 in 2012.The currency is in the County Finance Department. The Police Department has direct access through a specific funding line to utilize the monies for officer training and or equipment. These funds have not been spent at this time.

The Ford F-150 is stored by the Police Department until decision is made whether to keep it or auction it. If auctioned, the funds will be placed in the forfeiture account to be used for officer training and or equipment.
