During 2024, it was discovered that the proceeds from several gun auctions, spanning years 2020 through 2024, were inadvertently deposited into the incorrect fund, though the revenue posted to the appropriate seized asset ledger. Adjustments were done to ensure all the proceeds were transferred to the seized asset bank account during the 2024 year. All sales related to these adjustments have been itemized in the Forfeited Currency (State) and the Forfeited Property (Prev Cycle) tabs to account for them, in case they were not reported during the actual years of the sales. The amounts total $4,061.00 from 5 forfeited firearms sold over those years:
- Auction # IWQ 1-20240503 totaling $2,200.00 in forfeited firearm proceeds
- Auction # IWQ 1-20241018 totaling $650.00 in forfeited firearm proceeds
- Auction # IWQ 1-20230907 totaling $531.00 in forfeited firearm proceeds
- Auction # IWQ 1-08122020 totaling $535.00 in forfeited firearm proceeds
- Auction # IWQ 1-20220815 totaling $145.00 in forfeited firearm proceeds

A deposit error took place on 4/17/2024, when proceeds for a forfeited vehicle auction totaling $5,160.00 were deposited into the seized asset bank account. This transaction was later reversed by sending the full amount to the Gwinnett Metro Task Force. While reflected in the county's ledger, and reflected as both a credit and debit on the bank account, this is neither true revenue or expenditure to Gwinnett County Police Department, so this transaction has been omitted from the currency, expenditure, and sale tabs of this report and is only listed here in the notes.

On 9/19/2024, a check for $914.73 was deposited into the state forfeiture account. It was received as pro rata distribution from another jurisdiction. It was later discovered that the check was sent to us in error and we were asked to refund the full amount, for redistribution. A check for $914.73 was written from the Gwinnett County Police Department state/local forfeiture account to fulfill the refund request. During the 2024 year, only the deposit received cleared the bank. The refund check will not clear until the 2025 year. Since this is neither true revenue or expenditure for the Gwinnett County Police Department, the 2024 revenue of $914.73 is being omitted from the "Forfeited Currency" tab on this year's report. Similarly, next year, the $914.73 refund check will not be listed as an expenditure on the 2025 state report. This explains the difference you will see if comparing last year's report ending balance for state cash on hand of $997,848.31 to this year's ending cash on hand. The 2024 state cash on hand, as of 12/31/2024 is $1,295,301.42, because the $914.73 refund check is in transit.

At the time this report was prepared, there were 2 items with unknown forfeiture dates. The unknown dates have been left blank on the Forfeited Property (Prev Cycle) tab. One is a firearm with sale value of $235.00, from a civil action order beginning with a 2015 date. The other is a firearm with sale value of $145.00, from a civil action order beginning with a 2020 date.

Values of forfeited property is determined at the time of sale, as sold to the winning bidder. Items not yet sold do not have values listed on this report.

All statutes on this report have been assumed as as drugs (OCGA § 16-13-49), unless otherwise notified.
