JACKSON COUNTY
BOARD OF COMMISSIONERS

Mr. Kevin C. Poe
County Manager, Jackson County
67 Athens Street
Jefferson, Georgia 30549

Dear Mr. Poe,

Please see the provided copy of the Jackson County Sheriff's Office Budget Request for FY 2015.

In addition to the budget request you will find a copy of our report detailing property received and utilized pursuant to the provisions of O.C.G.A. § 16-13-49 *(u)(4)(D)(iii) Any local law enforcement agency receiving property under this subsection shall submit an annual report to the local governing authority. The report shall be submitted with the agency's budget request and shall itemize the property received during the fiscal year and the utilization made thereof.* Included is a copy of the current report related to the money seized and expenditures based on those funds. The current report reflects those individual transactions from July 1, 2013 – June 30, 2014. Last year's report, the first provided by this office, included transactions from January 1, 2013 – July 31, 2013. There was no prior reporting during the previous administration therefore this report provided the only available data for the time frame we were working under. It is the policy of my office to continue to provide an open and full accounting of these and all funds and activities within the Sheriff's Office. This year's report, and subsequent reports will include transactions from July 1, of the preceding year – June 30, of the current year. An updated version of the report will be available at the close of CY 2014 if required. You, as the Jackson County Manager, will be provided the most current report at the submission of the FY 2016 Budget Request next year.

As you are aware, O.C.G.A. § 36-80-21 requires the local governing authority to submit the aforementioned forfeiture report to the Vinson Institute along with the county's final budget.

Please call should you require any further information after your review of our proposed budget request with my staff.

Sincerely,

Janis G. Mangum
