

CITY OF SANDERSVILLE , GEORGIA

FY 2017 BUDGET & FY 2017 - 2022

CAPITAL IMPROVEMENTS PROGRAM

City of Sandersville, Georgia
Mayor and Council City

The Mayor and City Council of the City of Sandersville are elected to serve four year terms. The Mayor and Mayor Pro tem are elected at large while the four remaining members of council are elected by district. Pictured here are Council Member Mayme Dennis (27 years), Council Member Danny Brown (1 year), Mayor Pro tem Jeffrey Smith (17 years), Council Member Henry Watts (31 years), Mayor Jimmy Andrews (27 years), and Council Member Jason Davis (2 years).

Distinguished Budget Presentation Award

The Government of Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the City of Sandersville, Georgia for its annual budget for the fiscal year beginning January 1, 2016.

In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, operations guide, financial plan, and communications device. This award is valid for a period of one year only.

We believe our proposed budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

Introduction

In a recent episode of the TV show “Blue Bloods” the Police Commissioner of New York City quoted the John Donne poem “For Whom the Bell Tolls”. "No man is an island, entire of itself; every man is a piece of the continent, a part of the main. If a clod be washed away by the sea, Europe is the less, as well as if a promontory were, as well as if a manor of thy friend's or of thine own were: any man's death diminishes me, because I am involved in mankind, and therefore never send to know for whom the bells tolls; it tolls for thee." The bell tolls for thee much like the call to public service as a profession for those who work nights and weekends and holidays to keep the rest of us safe at all times.

Pictured on the cover of this FY 2017 Budget & FY 2017 - 2022 Capital Improvements Plan are the men and women in police uniform who serve the citizens of the City of Sandersville, Georgia every day. In 2014 the Sandersville Police Department became a State Certified Police Department, attaining the highest standard possible for any law enforcement agency in Georgia. Their goal for FY 2017 is to become recertified. In November, 2016 the Sandersville City Council voted to approve a FY 2017 plan recommended by the City’s Police Chief to develop and fund a Crime Suppression Unit in addition to the continued funding for training, supplies, equipment and a vehicle replacement schedule for the Sandersville Police Department.

Sandersville remains a city where the culture is rich in heritage and steeped in tradition. Three of Georgia's governors called Washington County home: Jared Irwin, Thomas W. Hardwick and Nathan Deal. About two dozen historical markers are placed throughout Washington County, most relating to the Civil War. Listed on the National Register of Historic Places are the Francis Plantation, Washington County Courthouse, the Old City Cemetery, North Harris Street Historic District, and Charles Edward Choate Historic District. The City of Sandersville, and particularly the Old City Cemetery, is featured in the March to the Sea Heritage Trail (a Civil War driving tour) that recognizes Union General William Tecumseh Sherman’s campaign in 1864.

Prominent among the many famous historic locations in Sandersville, including the Historical Society Genealogy Museum and the Old City Cemetery, is the Brown House Museum which housed Sherman during his stay in Sandersville on his infamous “March to the Sea.”

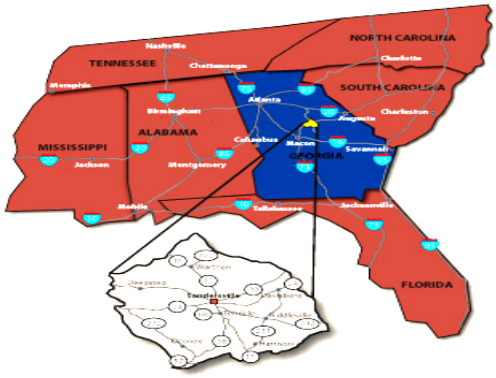

In the many years since Sherman's occupation of Sandersville on his "March to the Sea" the City of Sandersville has continued to grow and prosper. In 1880, the first City Hall was built and in 1893-1894 the Sandersville Railroad was built to connect Sandersville to the City of Tennille and to the surrounding Kaolin mines for loading fine white clay and other mining products. Since that time Sandersville, Georgia has been known as the **"**Kaolin Capital of the World." One of Georgia's most important minerals, kaolin, is a white, alumina-silicate clay used in hundreds of products ranging from paper to cosmetics to the nose cones of rockets. Much of Sandersville's economic success in past years can be directly attributed to the Kaolin industry. Kaolin is also used in medicines, paints and many other products, all of which are shipped around the world. At the end of the 20th century, kaolin was an $800 million business and Georgia's largest volume export. The City of Sandersville and Washington County celebrates its heritage and the importance of this resource with an annual Kaolin Festival each fall.

Originally founded in 1796 as *Saundersville*, and first incorporated as a municipality by the State of Georgia in 1812, the City of Sandersville is a Georgia Municipal Association City of Excellence and Certified City of Ethics. The city provides a full range of municipal services to its residents including public safety (police and fire protection), building inspections and code enforcement, public works (streets and sidewalk construction and maintenance, storm drainage construction and maintenance, refuse collection) municipal court, and parks and cemeteries maintenance. In addition, the City also operates a water and wastewater collection, distribution, and treatment system, an electric utility and provides high speed internet access to our citizens with fiber optic technology.

Centrally located in the state, Sandersville is located 128 miles from Atlanta, 60 miles from Macon, 62 miles from Augusta, 89 miles from Athens, and 139 miles from Savannah. The city is 40 miles from Interstate 16, 47 miles from Interstate 20 and is located on State Routes 15, 242 and 88 and 24 which includes the Fall Line freeway, a four-lane connector between Columbus and Augusta.

As the county seat of Washington County, the City currently occupies approximately 12.72 square miles and serves a 2010 population of 5,912, which is a 3.8 percent decrease from the 2000 Census. The median resident age for Sandersville is 38.1 years compared to the State of Georgia at 35.9 years. The estimated median household income is $23,792 in Sandersville, a decrease from $27,201 in 2000, with an estimated per capita income of $18,333. The median value of owner-occupied housing is $89,190, an increase from $63,900 in 2000. Compared to the rest of the country, Sandersville's cost of living is 19.4 percent lower than the U.S. average, making it a great place to live, work, own and operate a business and raise a family.

Sandersville has a diversified economy with several major industries located in the area, retail shopping, and a regional health care provider for surrounding Georgia counties. Approximately 33.1% of the Washington County labor force is employed by the government sector, including the City's largest employer, the Washington County Hospital Authority, while the remaining 66.9% is employed by the private sector. Major private sector employers in the City include Howard Sheppard, Inc. Thiele Kaolin Company, and Wal-Mart, Inc.

Sandersville is home to four industrial parks with close proximity to interstate highways 16 and 20, the Norfolk Southern and Sandersville Railroad companies, and the Washington County airport. Although agriculture continues to be important in rural Washington County, the

timber industry plays a much more dominant role. Several manufacturing plants including Duraline and Trojan Battery as well as a district office of the Georgia Department of Transportation are also located in the area.

In 2010, Sandersville welcomed the opening of the Shared Services Center for the University System of Georgia's 35 degree-granting institutions. This facility consolidates the University System's separate business functions, such as payroll, throughout its colleges and universities into one office. The City of Sandersville partnered with Washington County and the Development Authority of Washington County to develop a 21,000 sq. ft. office complex to house the Shared Services Center which employs approximately 50 people.

Sandersville's local health care requirements are served by Washington County Regional Medical Center, located within the city limits and representing a wide range of specialties. WCRMC is accredited by the Joint Commission on Accreditation of Healthcare Organizations, a distinction that is awarded only to those healthcare facilities that maintain the highest standards of quality. Washington County Regional Medical Center offers a 24-hour physician-staffed emergency department and comprehensive outpatient services including same day surgery and ambulatory care.

There are two institutions of higher learning located within the city limits of the City of Sandersville: Georgia Military College located on Industrial Drive and Oconee Fall Line Technical College located near Highway 88, the Fall Line Freeway.

In 2010 the Georgia Legislature announced the merger of Sandersville Technical College with Heart of Georgia Technical College and on July 1, 2011 Oconee Fall Line Technical College opened its doors in Sandersville. A member of the Technical College System of Georgia and accredited by the Commission of the Council on Occupational Education, OFTC offers more than 100 associate degrees, diplomas and certificate programs to thousands of students annually while providing educational, career, and economic development opportunities throughout an 11 county service area. The continued growth of the College coupled with the Sandersville campus of Georgia Military College distinguishes Sandersville as a regional center for higher education and provides additional economic strength and vitality to the community. There are 4 public schools and 1 private school in Sandersville that educate the area's 3,417 students. A total of 211 seniors graduated from these schools in 2016.

In 2012, the City of Sandersville partnered with the Georgia Department of Defense and the Georgia State Properties Commission to acquire the Georgia National Guard Armory property located in Sandersville for the purpose of providing a home for the Boys & Girls Club of the CSRA, Washington County Club. For decades the Georgia National Guard Armory was home to engineers from the 878th Engineer Battalion. In 2004, Alpha Company of the 878th Engineer Battalion deployed to Afghanistan. Upon its return, the unit was assigned to Augusta while the Armory continued in use as a recruiting office. The Boys & Girls Club building measures approximately 15,000 square feet and features a dedicated game room, education center, gym and center for teenagers. More than 542 children of Washington County have enrolled in the club since it opened in August, 2012. The Boys & Girls Clubs of the CSRA provides core programs, including arts and sports, fitness and recreation, that promote the development of our children and youth allowing them to become productive citizens who will enrich the quality of life for all of the residents of our community.

The City of Sandersville is a progressive community that provides an exceptional quality of life to its residents and offers southern charm and hospitality to its visitors. The City offers a high standard of living with a commitment to ensure the most responsive and progressive public services to residents, businesses, and visitors. Tree-lined streets, beautiful historic homes and warm personalities welcome visitors to our serene community with genuine southern hospitality.

Recreational opportunities that enhance the quality of life for our citizens are plentiful in Sandersville and Washington County. Located just 14 miles north of Sandersville, Hamburg State Park offers a 225-acre lake with trailer sites, a museum, a 1921 water-powered operational grist mill, boat ramp and lake fishing for largemouth bass, crappie and bream. In 2015, the City of Sandersville partnered with Washington County to develop Linton Park, a community park which that includes a splash park (North Avenue Station - completed in 2015), a walking trail and a professional disk golf course (The Depot Disk Golf Course - completed in 2016). Plans are underway to host a professional disk golf tournament at Linton Park in the Spring, 2017.

Today, in Sandersville there are 2 local radio stations, WSNT, WJFL and two weekly newspapers, the *Sandersville Progress* and the *Washington County Spotlight*. WMAZ (CBS) Channel 13 in Macon also reports on the news in Sandersville while the City is covered locally by Charter Communications, located within the city limits.

The Washington County Airport Authority owns the Kaolin Field Airport which is located approximately 40 minutes from Interstate 16, and 2 hours from the Savannah ports and the Savannah International Airport, which is serviced by 5 major airlines. Kaolin Field is home to a 4,200 square foot airport terminal building and a parallel taxiway system with the ability to serve corporate aircraft which will promote the successful recruitment of industry and continue to foster economic development in Sandersville and Washington County.

The City has 56 miles of roads of which 55.8 are paved and 1,167 streetlights. Electricity is sold to 2,830 customers while the City provides water is to 3,054 customers with an average daily water consumption of 2.05 million gallons. Sewer service is provided to over 2,701 customers. Sandersville has 69.9 miles of sanitary sewer and 70.3 miles of water mains with 628 fire hydrants. The City maintains a State Certified Police Department and a Class 3 ISO insurance rating with one Fire Station.

Utilities are provided by the following within the City:

City of Sandersville	Water& Sewer, Electricity, Telecom and Sanitation
Washington EMC	Electricity
Georgia Power	Electricity
AT &T	Telecommunications
Charter Communications	Telecommunications & Cable Television

The City of Sandersville operates under a mayor-council form of government. The Mayor and Mayor Pro Tem are elected at large while the four remaining council members of the City Council are elected by district. All elections are non-partisan with four years terms. The City Council appoints a City Administrator to manage the daily administrative functions of the city government. As authorized by its Charter and Code, the services provided by the City are General Government (Administration, Human Resources, Finance, Planning and Building Inspections), Judicial (Municipal Court), Public Safety (Police and Fire), and Public Works (Streets, Sanitation, Water and Sewer and Electric Service).

City Boards and Authorities

DOWNTOWN DEVELOPMENT AUTHORITY of SANDERSVILLE

The Downtown Development Authority (DDA) of Sandersville, was established in 1994, consists of 7 members who are appointed by the Mayor and City Council to represent the owners of either real property or business establishments. The DDA is empowered with the authority to acquire, improve, sell, lease, and/or mortgage property for the development and improvement of property in the Downtown Development Authority District in Sandersville.

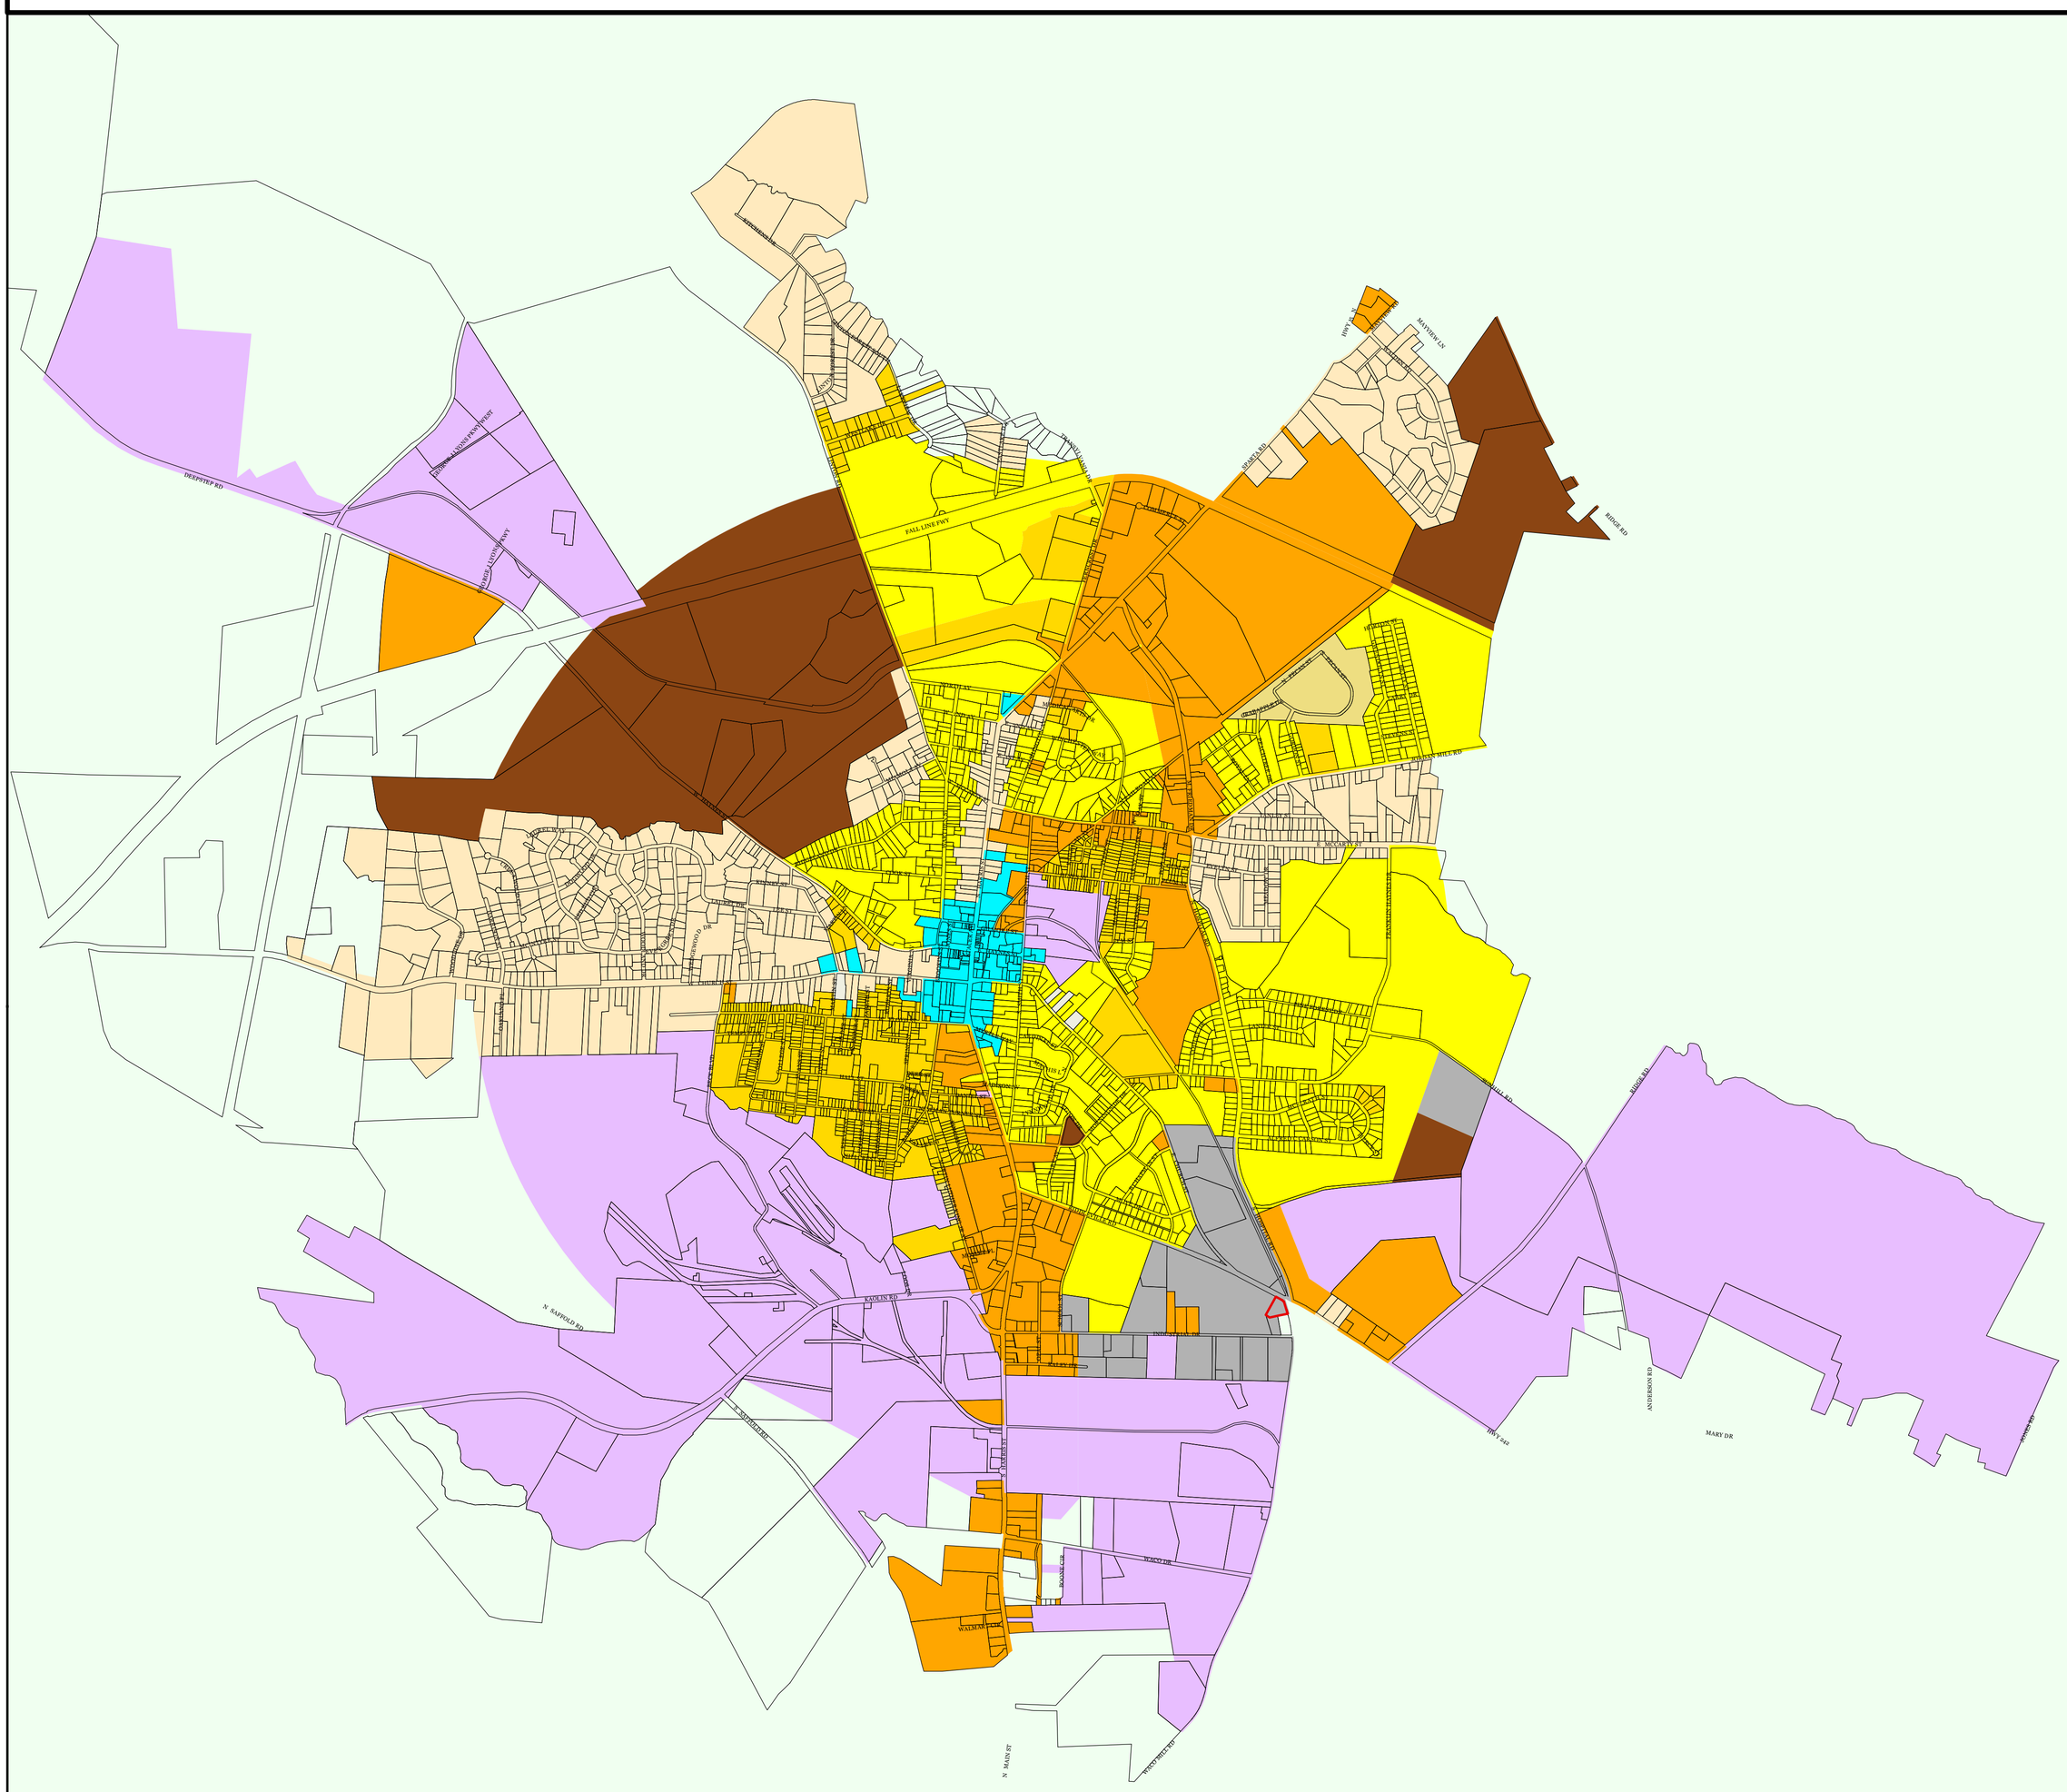

SANDERSVILLE PLANNING & ZONING BOARD

The Sandersville Planning & Zoning Board was established in 1979, and consists of 8 members who are appointed by the City Council. The Mayor or one council member may serve as ex-officio member without voting powers. The Board is vested with the duties to hear and make recommendations to the Mayor and City Council on matters regarding zoning ordinances, to promote the planning of the City of Sandersville with the preparation of the Master Plan, to prepare and recommend regulations for subdivisions and to administer those regulations, and to prepare and recommend a plat for the official map of the City showing the location of existing and proposed boundaries.

SANDERSVILLE TREE BOARD

The Sandersville Tree Board was established in 1991. The Board consists of 10 members appointed by the Mayor and City Council who are charged with the responsibility of developing and administering a City Tree Plan for the care and planting of street and park trees. Also, at the request of City Council, the Tree Board investigates, recommends, and reports on any special question within the scope of its work.

CITY OF SANDERSVILLE, GEORGIA
WASHINGTON COUNTY
THE KAOLIN CITY
ESTABLISHED 1796

READER'S GUIDE TO THE BUDGET

While government budgets are usually complicated documents for citizens to read and understand, our goal in preparing this Budget was to make it user-friendly. Generally Accepted Accounting Principles (GAAP) for governments requires the use of multiple funds, grouped into seven categories. Some of those fund categories are budgeted and accounted for using the modified accrual basis of accounting, and some use the accrual basis of accounting. Most citizens are accustomed to private sector accounting, where a business has one balance sheet and one income statement, both kept on the accrual basis of accounting. Therefore, it is recommended that you take a few moments to review this Reader's Guide before reading the Budget. It should help you understand the framework of the City's fund structure and accounting system.

The City of Sandersville operates with twelve separate funds making municipal budgeting and accounting considerably different from that in the private sector. Although the City may in most cases legally transfer money from one fund to another, each fund is a separate accounting entity with assets, liabilities, equity, revenues, and expenditures (expenses). Therefore, there will be twelve separate balance sheets and income statements. The funds fall into five different categories which are segregated into two types of funds, as required by Generally Accepted Accounting Principles for governmental entities. The funds by fund type that will be used in the fiscal year are as follows, and are summarized in the chart on the next page:

(1) Governmental Funds

General Fund – This is the principal fund of the city and is used to account for all activities of the City not included in other specified funds. The General Fund accounts for the normal recurring activities of the City (i.e., public safety, general government, engineering, planning, finance, and public works).

Special Revenue Funds – Funds used to account for the proceeds of specific revenue sources (other than major capital projects) that are legally restricted to expenditures for specified purposes. Included in the Special Revenue Funds are the Confiscated Assets Fund, the Hotel-Motel Tax Fund and the 2013 Community Housing Improvement Program Fund and 2014 Community Housing Improvement Program Fund. The Narrative Section at the front of each Fund explains in detail the purpose of that fund.

Capital Project Funds – Funds used to account for financial resources segregated for the acquisition or construction of major capital facilities other than those financed by enterprise operations. The City's Capital Project Funds include the 2013 SPLOST Fund, TSPLOST Fund and the Capital Improvements Program Fund. Again, the Narrative Section at the front of each Fund explains in detail the purpose of that fund.

(2) Proprietary Funds

Enterprise Funds – Funds used to account for operations that are financed and operated in a manner similar to private business enterprises - - where the intent of the governing body is that the costs (expenses including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges. The City has four Enterprise Funds: the Water and Sewer Fund, the Electric Fund, the Solid Waste Collection Fund, and the Telecom Fund. Again, the Narrative Section at the front of each Fund explains in detail the purpose of that fund.

Internal Service Funds – Funds used to account for the financing of goods or services provided by one department or agency to other departments or agencies of the government and to the other government units, on a cost reimbursement (internal fees and charges) basis. The City currently has no Internal Service Funds.

Basis of accounting is a system used by an individual government to determine when revenues have been realized and when expenditures have been incurred while basis of budgeting is a system used by an individual government to determine when budgetary revenues have been realized and when budgetary expenditures have been incurred. The City uses the modified accrual method for accounting and budgeting.

The second column of the funds chart shows the accrual and modified accrual accounting basis. Accrual accounting is similar to private sector accounting, in that revenues are accrued when earned, and expenses are accrued when the financial transaction takes place. Proprietary Funds and Fiduciary Funds are accounted for on this basis, as they are operated very similarly to private businesses. In the Budget, these types of funds have a Budgeted Income Statement and a Budgeted Cash Flow Statement. Any major capital expenses for these funds are budgeted in the Budgeted Cash Flow Statement, except for those receiving SPLOST funds. In that case, some projects may also be funded in the 2013 SPLOST Fund.

All Governmental Funds are accounted for using the modified accrual basis, which is a hybrid of cash and accrual, where some revenues and expenses are accrued, and some are on a cash basis. These funds reflect only available resources. In addition, this Budget shows all the major capital expenditures for these types of funds in the Capital Improvements Program Fund, or another capital projects fund. Major capital expenditures are defined as capital assets costing at least $5,000 and having a useful life of at least two years. This includes not only land, buildings, and infrastructure, but also vehicles and equipment.

Following this Reader's Guide to the Budget is the City Administrator's Budget Message. This message includes a listing of the assumptions used in developing the Budget. It also includes a discussion of the major issues requiring financing that the Mayor and City Council have considered, and how this Budget proposes to address them.

The next section, Summary Budget of All Funds, is a multi-sheet spreadsheet, which summarizes all funds of the City of Sandersville, and the projected fund balances or working capital, depending on the basis of accounting used. This summary includes all revenues and transfers into a fund, and all expenditures (expenses) and transfers out of a fund. It also shows the other sources and uses of cash in those funds using full accrual accounting. *In short, it is the entire budget in a condensed format.* This section also contains the Resolution to adopt the Budget. Should the Mayor and City Council wish to change any aspect of this proposed Budget, they will need to adopt this Resolution subject to those specific changes.

The following section contains the Resolution Adopting the Financial Policies, which directs the financial operations of the City. These policies are reviewed each year to determine if any changes need to be made.

The next section contains a List of Authorized Personnel Positions funded by this Budget. This lists the budgeted positions within each department and division of the City. This assures that only this number of personnel can be employed unless changed by the City Council during the fiscal year.

Afterwards, we have the section which contains the Position Classification and Compensation (Pay) Plan. The Plan was developed from a Classification & Compensation study performed by the University of Georgia in 2014 and adopted with the FY 2015 budget. In the years between Plan updates, salaries and wages may be adjusted by a cost of living adjustment to offset inflation. There are four schedules: 1) for 40-hour per week hourly employees, 2) for salaried employees, 3) for firefighters on the "24 hours on/ 48 hours off" schedule, and 4) for non-salaried police officers who work a 43-hour per week schedule.

Following that are sections for each one of the twelve funds.

After all funds are presented, there are two remaining sections. They provide the following information:

1) The Existing Debt Service Schedule for All Funds. Currently, the City of Sandersville only one outstanding loan obligation in the General Fund and three GEFA loans in the water and sewer system. That is the extent of the City's indebtedness. These schedules show the amount of principal and interest due in each of the fiscal years until fully repaid for each individual debt instrument.

2) A Glossary of Terms used in governmental budgeting and accounting to assist the first-time reader. It should help clarify new terms that may not be familiar to the reader.

CITY OF SANDERSVILLE, GEORGIA
WASHINGTON COUNTY
THE KAOLIN CITY
ESTABLISHED 1796

December 19, 2016

Honorable Mayor and City Council
City of Sandersville
141 West Haynes Street
City of Sandersville, Georgia 31082

Re: Budget Message and Transmittal of the Proposed Budget for Fiscal Year 2017

Ladies and Gentlemen:

Transmitted herein for your consideration is the City Sandersville's proposed budget for the fiscal year 2017 (FY 2017). I would like to express appreciation to all City departments who contributed to the formulation of this budget. As a result of these efforts we present to you a balanced budget that meets all administrative and legal requirements. Our objective in the preparation of this budget was to meet the priorities established by the Mayor and City Council for the coming fiscal year and to continue to provide the highest quality of services to our citizens in a fiscally responsive manner.

As the City's financial and spending plan for the fiscal year, the adoption of the budget is one of the most important policy decisions made by the City Council each year. The budget document should provide useful information to elected officials and to the public. It identifies the revenues and expenditures necessary to maintain and in some areas improve the present levels of municipal services. As a planning tool the budget determines the priorities for service for the coming year, the staffing level of each service, the equipment and supplies to be purchased, and which major capital projects will be funded. The budget also serves as both an accounting tool and a management tool assuring that appropriations established by the governing body will not be exceeded while providing oversight and accountability in the disbursement of public funds.

Budget Assumptions

In preparing this Budget and the six-year Capital Improvements Program (CIP), your City staff has used several assumptions that are critical in projecting anticipated revenues and expenditures (expenses). Any budget and six-year capital plan by definition is a planning document, and not every issue will have been determined prior to its preparation and adoption. Therefore it is necessary to base the budget on certain assumptions. If changing circumstances affect those assumptions, the budget can be adjusted accordingly. Should the City Council wish

to change any of these assumptions, we would need to adjust the revenue or expenditure (expense) item accordingly. These major assumptions are as follows:

- Assumes the Budget will be adopted, and accounted for, using generally accepted accounting principles, with Enterprise Funds budgeted and accounted for using full accrual accounting similar to private businesses, and all other funds budgeted and accounted for using modified accrual accounting.

- Assumes that the City will meet the fund reserve targets established by the Mayor and City Council in the Financial Policies.

- Assumes the local economy will remain stable, with building permits and business license collections increasing slightly, but negative growth in sales taxes resulting from the elimination of sales tax on energy used in manufacturing.

- Assumes that the rate of inflation will remain constant or increase only slightly due to present market conditions and projected improvement in the economy.

- Revenues have been projected within the medium range, so that they are realistic and reflect the current local economy.

- Assumes the hiring of no additional full time or part-time positions in any City department.

- Assumes that the position of Purchasing Agent and IT & Telecom Administrator will be consolidated thereby eliminating one position and that one Road Patrol positon in the Police Department will be frozen.

- Assumes the City Council will approve the recommendation of the City's Police Chief to develop a Crime Suppression Unit supported by funds in the amount of $5,000 redirected from the Drug Task Force in the Police Department budget to CID supplies in addition to a budget increase in funding in the amount of $20,000 for overtime pay for officers assigned to this unit.

- Assumes there will be 1.5% probationary and merit increases for eligible employees and a 1% cost of living adjustment (COLA) to the City's pay plan during the 2017 fiscal year.

- Assumes that the life insurance benefit will be maintained at $25,000 for each full time permanent employee.

- Assumes that Workers' Compensation insurance premiums and expenses will remain constant at current levels.

- Assumes that Retirement Benefits will decrease from the City's current contribution level of 9.60% to 9.57% of payroll and, that the City's Retirement Plan will be amended to require a 2% contribution from all newly hired employees after January 1, 2017.

- Assumes that the PPO health insurance plan that the City currently offers will be eliminated in FY 2017 and that employees will be offered a POS plan with three deductibles to choose from. The City will fund 90% of the premium for individual coverage and 50% of the premium for family coverage of the POS plan with a $1,500 deductible and, each of the other plans at an equal monetary level. In FY 2017, City staff will continue to review the City's insurance benefit and recommend possible changes in the benefit structure such as higher deductibles, higher co-pays, and other similar methods in order to reduce cost to the City.

- Assumes that the maximum deferred compensation match provided by the City to each employee will remain at 50% with a maximum of 3% of the employee's annual salary.

- Assumes that there will be no ad valorem (property) tax increase with the millage rate decreasing only slightly from 4.828 to 4.825 mills as a result of normal assessed growth in the digest.

- Assumes that all Proprietary Funds will be self-supporting without assistance from the General Fund.

- Assumes that the City will transfer $127,719 to the General Fund from the Water/Sewer Fund, $238,210 to the General Fund from the Electric Fund, $9,134 to the General Fund from the Telecom Fund, and $32,779 to the General Fund from the Solid Waste Collection Fund for reimbursement of cost of services provided in the General Fund. Also assumes that the City will transfer $273,833 to the CIP Fund from the Water/Sewer Fund and $260,000 to the CIP Fund from the Electric Fund to fund capital projects in each of these funds as well as approximately $340,000 from the Water/ Sewer Fund to the Electric Fund to pay for utility services.

.

TRANSFERS BETWEEN FUNDS

Transfer In	General	CIP	Water/Sewer	Electric	Telecom	SWC	
Transfer Out							TOTALS OUT
General							$ -
CIP							$ -
Water/ Sewer	$ 127,719	$ 273,833		$ 340,000			$ 741,552
Electric	$ 238,210	$ 260,000					$ 498,210
Telecom	$ 9,134						$ 9,134
SW Collection	$ 32,779						$ 32,779
TOTALS IN	**$ 407,842**	**$ 533,833**	**$ -**	**$ 340,000**	**$ -**	**$ -**	**$ 1,281,675**

- Assumes an increase in the City's current water and sewer rate schedule for residential and commercial customers.

- Assumes that the PCA component of the electric rates will be adjusted as necessary to accommodate the market demands on the City's electric fund. Also assumes that a rate schedule will be adopted as recommended in the ECG Cost of Service Study. Assumes a normal winter and summer.

- Assumes no increase in the residential sanitation fees for leaf and limb pickup in FY 2017 and also no increase in the commercial sanitation fees in FY 2017.

- Assumes that the City will continue to contract with Precision Waste Services, Inc. for Solid Waste Collection for Commercial and Residential accounts with a .75% inflationary increase in the contract for the next fiscal year.

- Assumes that the City will continue to contract with M.W. Collins, Inc. to mulch and haul away the City's leaf and limb debris.

- Assumes that the City's occupation tax (business license) administrative fee, event permit fee for stationary and mobile events will remain the same in FY 2017.

- Assumes that the City will expend 40% of the Hotel/Motel Tax revenue to promote tourism with 17% of revenues allocated to the Washington County Chamber of Commerce and 14% of revenues allocated to the Washington County Historical Society. The City of Sandersville will contract with each of these entities for services for FY 2017 for a one-year term, as required by state law. Also assumes an increase in 2017 of the percentage of the Hotel Motel tax levied from 3% to 5%.

- Assumes that the City will continue to contract with the Washington County Historical Society to provide additional tourism services at the Old City Jail/ Genealogy Center and the Brown House Museum.

- Assumes that the payment to the Washington County Chamber of Commerce from the City's General Fund will be continued at the same level as in FY 2016 of $30,000.

- Assumes that the payments to the Washington County Recreation Department/ Senior Center, Rosa M. Tarbutton Library, DAR and Airport Authority will remain the same as in FY 2016.

- Assumes that the payment to the UGA Archway program will remain at $7,500.

Major Issues

Background

Sandersville, Georgia has long been known as the "Kaolin Capital of the World." One of Georgia's most important minerals, kaolin, is a white, alumina-silicate clay used in hundreds of products ranging from paper to cosmetics to the nose cones of rockets. Much of Sandersville's economic success in past years can be directly attributed to the Kaolin industry. In more recent years much of this industry has declined as manufacturers have sought to import this resource from other countries at a reduced cost. The decline in the kaolin industry coupled with the 2008 recession were the major contributing factors to the city's prolonged double digit unemployment rate which reached a high of 15.4% in 2010. During the recession Trojan Battery, along with other area industries, reduced or stopped production altogether as a result of the economic

downturn. However, as the local labor market indicates with the current 2016 unemployment rate of 6.2%, there have been marked improvements in the overall economy. Trojan Battery returned to their Sandersville plant in 2014 and continues to expand their operations to produce a new product line which will require higher skilled labor and offer increased salary levels. Duraline, another local industry, has also expanded their production line and continues to be a valuable asset to our community. In addition to industrial expansions, retail investments are returning to Sandersville with the construction of four franchises in 2016 and two more currently underway. To continue to encourage and facilitate retail development the City Council adopted a retail incentive plan in October of 2016.

As in the previous budget year, the City remains extremely concerned about the performance of the Electric Fund where the operating income has decreased significantly over the past several years primarily due to the 2007 purchase of additional interest in MEAG's power sales contract from the City of College Park. Through an Inter-participant contract, in addition to premium payments to College Park in the amount of $41.7 million, the City purchased 15 MW of College Park's Project One Power Sales Contract. In the General Fund, decreases in local option sales tax resulting from exemptions related to HB 386 along with the declining ad valorem tax digest in recent years also related to HB 386 have both translated into decreasing revenue streams and continued concern regarding the long term fiscal impact on the City's budget. The City's property tax digest which had declined in each of the last three years, increased somewhat in 2016. In 2015, the millage rate was increased from 4.518 in to 4.828 mills to offset a decrease of $62,704 in net taxes levied resulting from a decline in the net digest of $14,346,349. In 2016, the City adopted a rollback rate of 4.825mills to offset an increase in net taxes levied of $434,575. Measures have been implemented in the city's budget in each of these years to minimize the impact of declining revenues including increasing rates, reducing expenses and eliminating up planned transfers from the electric fund to supplement other funds. Sustaining these measures to offset the deficits in revenues over a prolonged period will impact our service delivery. We continue to be proactive in economic development and the recruitment of new industry to supplement these revenue shortfalls. We carefully plan our investments in water, sewer, electricity, and roads, in our community in order to position us to capitalize on our investments and to aggressively solicit new industrial prospects and opportunities that will ensure our economic vitality in the future.

Although Sandersville offers an excellent quality of life for area residents and visitors with a low crime rate, exceptional fire protection services, dependable electric service and the availability of quality water and sewer resources, we are not immune to the economic pressures and challenges experienced by the rest of our state and the nation. While the City budgets expenses conservatively and monitors budgets closely to absorb the impact of declining revenues we continue to have concerns about the impact of Georgia HB 386 which was adopted by the General Assembly in 2012 to eliminate sales tax and ad valorem tax on vehicles and replace it with a one-time title tax. This bill also eliminates sales tax on energy used in manufacturing, agriculture and mining. There are provisions in HB 386 to make local governments "whole" in the ad valorem tax revenue but only to the extent that the revenue collected in 2012 will be replaced. There are no provisions for growth in this revenue source and the proposed replacement of existing ad valorem revenue is contingent on collections from the title transfer fee being sufficient to cover the cost. To address these budget challenges the City will continue to

budget conservatively and adhere to sound financial policies to ensure that we remain financially stable.

The City will continue to focus on maintaining a healthy and expanding economic base supported by superior infrastructure in order to attract and retain quality employers. Expanding economic activity translates into growing needs for quality support services including improved transportation, water and sewer, electricity, solid waste, and public safety services. To effectively respond to growth and the increased demand for services with the continuing decline of revenues the City will have to proactively plan in order to meet the challenges for financing major public works and utilities improvements. The funding initiatives in this proposed Budget attempt to address many of these challenges.

Future Initiatives

In March 2013, the voters of Washington County approved a referendum to continue the collection of the 1% sales tax which provides the necessary revenue for capital projects, many of which could not be funded without these SPLOST funds. Continued investments in water, sewer, electricity and roads in our community are vital to our success in attracting quality employers and just as important in the retention and expansion of the industries that we already have. The 2013 SPLOST will provide the City with an estimated $1.2 million in funding for these capital projects for FY 2017 - FY 2022. During this period the City will continue to invest in infrastructure while funding a scheduled preventative maintenance program for vehicles, facilities and equipment. One of the most visible and costly of the traditional government services is public safety (police and fire) consuming 45.1% of the City's general fund budget. With the continued support of tax revenue for equipment and training our Police and Fire Departments will maintain State Certification and a Class 3 ISO rating, both of which have reduced our risk and prepared us to better serve and protect the citizens of our City. In FY 2017, the 2013 Special Purpose Local Option Sales Tax (SPLOST) will fund the scheduled replacement of police vehicles and conversions in the amount of $92,129 and improvements to the Sandersville Fire Station in the amount of $29,500. 2013 SPLOST will also fund the purchase of a pickup service truck and a VOIP telephone system in the Telecom Fund. The Water/ Sewer Fund will complete the program to retrofit water meters to radio read in the amount of $167,333 and fund routine equipment replacements in the amount of $106,500. Capital projects in the Electric Fund for FY 2017 include $210,000 for underground services for the East Haynes Street Streetscape project which is part of the City's Downtown Master Plan and the purchase of a pickup service truck.

Our City leadership has been proactive in financing major upgrades to infrastructure which provide quality water and sewer resources and improved transportation throughout the City. In FY 2016, the City Council executed a letter of conditions with the USDA for funding to payoff and consolidate current water and sewer debt and to finance an additional $9.7 million for new water and sewer expansions and upgrades. In FY 2017, $1,760,000 in USDA funds will be used to demolish and reconstruct the South Water Treatment Plant, with an additional $2,121,382 used to fund the Davisboro Road Basin Rehabilitation and $1,271,850 for Wastewater Treatment Plant upgrades. $800,081 will fund the replacement of the sewer system on West Church, West Haynes and Cook Street while $670,161 will fund the construction of a

pump station on Ridge Road. The remaining $3,065,353 will fund the extension of water and sewer services to unserved areas inside and adjacent to the City, creating new revenue sources.

In 2012, the voters of Sandersville, Washington County and other local governments in the Central Savannah Regional Area approved a regional 1% transportation SPLOST in which 75% of the funding will be used for a pre-determined list of priority projects in the region while the remaining 25% will be provided to the local governments in the region as discretionary funds to be used on their individual transportation projects. A Transportation Fund was established in the FY 2013 budget to account for the receipt and disbursement of these funds as well as LMIG (Local Maintenance and Improvement Grant) funds from the Georgia Department of Transportation. In FY 2017 LMIG and TSPLOST funds in the amount of $562,412 will help fund a Downtown Master Plan to include a park, green space, parking and a streetscape all of which will improve the quality of life for our citizens and visitors while promoting economic development in downtown Sandersville.

Outside Agencies

Other agencies are impacted by the City of Sandersville's Budget including the Sandersville Downtown Development Authority (DDA), the Washington County Chamber of Commerce, the Washington County Historical Society, the Washington County Recreation Department/ Senior Center, the Washington County Airport Authority and the Rosa M. Tarbutton Library.

Impact of Capital Improvements on the Operating Budget

In this budget process, our goal has been to respond to the needs of a thriving City while funding the priorities established by the City Council to respond to those needs. We believe this capital budget addresses the limited revenue base along with increasing demands for services and aging infrastructure in a fiscally responsive manner. The capital improvements recommended in the FY 2017 Budget will have differing effects on the operating side of the Budget. The infrastructure improvements (streets, drainage, and sidewalks), primarily funded by SPLOST TSPLOST, will increase our maintenance and operating costs over time. However, the increased value to the tax base that will be generated should offset these costs. If properly constructed and inspected this infrastructure should not require considerable maintenance for a number of years.

The vehicle and equipment purchases are all for routine replacement of older, worn out equipment that have outlived useful life. These purchases will decrease the operating expenses to maintain these capital assets; however, this decrease will likely be offset by the increased cost to insure the newer vehicles and equipment. The direct impact on the operating budget of each capital project is presented on the reverse side of each project sheet in the Capital Improvements Budget.

Conclusion

The FY 2017 budget considers current economic conditions while reviewing historic data and revenue trends and, particularly in the electric fund, the purchase of power and electric sales. Generally conservative financial policies were taken into consideration in projecting revenues for

all funds as well as other local and broader economic indicators that will influence the revenue stream. On the expense side, every effort was made to reduce cost including a reduction in workforce and the implementation of alternative health insurance benefit plans that provided cost savings for both the City and the employee. The City of Sandersville's FY 2017 operating and capital budgets exceed $24.1 million (excluding transfers and $9.7 million in water & sewer projects to be funded by a USDA loan), a decrease of 2.27% from the $24.7 million budget adopted in FY 2016. The City's General Fund budget increased by .50% from $4,502,319 in FY 2016 to $4,524,935 in FY 2017. The budget process is challenging every year and always requires difficult decisions to be made. While there is no millage rate increase in the General Fund included in the FY 2017 budget, there are rate increases for residential and commercial customers in the City's Water/ Sewer Fund and will be a rate increase proposed in the Electric Fund shortly after the beginning of FY 2017 resulting from a cost of service study. Unlike FY 2016 a cost of living increase of 1% is proposed in FY 2017 and the Classification and Compensation Plan prepared by the University of Georgia and implemented in FY 2015 provides for step increases equal to 1.5% for probationary and merit raises for eligible employees. One full time position was eliminated in Purchasing in the General Fund.

The General Fund, the second largest of the City's 12 funds comprising 13.5%, or $4.5 million of the total operating budget, funds the traditional government services such as Planning and Zoning, Public Safety, and Public Works. The FY 2017 budget as presented continues to provide these crucial services to our population while still maintaining one of the lowest millage rates in the state, at 4.825 mills. The City's enterprise funds, Water/ Sewer, Electric, Solid Waste and Telecom have operating budgets of $1,660,076, $13,501,103, $846,260 and 171,519 respectively. Our SPLOST and TSPLOST Funds along with our Capital Improvements Program Fund present a 6 year plan for the acquisition, expansion and maintenance of the City's major assets totaling $12.8 million in FY 2017. In the preparation of this FY 2017 budget every effort has been made to continue to improve service levels, reduce taxes and improve the financial integrity of the City.

In FY 2017, in addition to the USDA infrastructure projects, the City plans to continue with the development of a downtown master plan to include a park, streetscape, parking and greenspace and, to proactively recruit retail investment in Sandersville supported by a retail incentive plan adopted by the City Council in 2016 and a voter approved Sunday alcohol sales in restaurants referendum. In an effort to promote tourism within the City with the development of a professional disk golf course and the Council adoption of a new Hotel Motel tax ordinance increasing the tax from 3% to 5%, the City also partnered with the Washington County Development Authority and the Chamber of Commerce to retain a consultant to focus exclusively on hotel development and retail recruitment.

The City of Sandersville is dedicated to improving the quality of life for our residents while still maintaining the financial integrity of the City. We will continue to strive to keep our fees and millage rate low through prudent fiscal spending and by searching for alternative sources of revenue. We will work to provide our citizens with better government, not more government. We encourage our citizens to become involved in our local government by attending council meetings, participating in our citizen volunteer boards, and visiting our web site often at www.sandersville.net for updates on our City government.

I would like to express appreciation to city department managers for their participation and cooperation in preparing the FY 2017 Budget and Capital Improvements Plan. Every department made efforts to cut expenditures while pledging to continue to maintain exceptionally high levels of service to our citizens. I would also like to thank our City Finance Officer Brianna Wiley and Accounting Assistant Leslie Williams for the numerous hours of staff time that have gone into the preparation of this budget. They are to be commended for their work. The preparation of this year's Budget and CIP as always, was a team effort. Finally, I would like to thank the Mayor and City Council for your support during this budget process.

Copies of the proposed Budget and Capital Improvements Program will be on file in the City Clerk's Office and on the City's web site at www.Sandersville.net. The public hearing on the Budget was held on December 12, 2016. Adoption of the Budget Resolution will be on the December 19, 2016 City Council agenda with an effective date of January 1, 2017, subject to any changes that you might make in its adoption.

Please let me know if I can provide any further information as you review this proposed Budget and Capital Improvements Program.

Respectfully submitted,

Judy M. McCorkle
City Administrator

City of Sandersville Goals - FY 2017

With each budget cycle the City continues to address the challenge of providing quality services to our residents with increasingly limited resources and we will continue to make every effort to improve service levels, reduce taxes and improve the financial integrity of the City of Sandersville. To accomplish the vision established by the Mayor and City Council of the City of Sandersville the FY 2017 budget links developed organizational goals and objectives with the financial resources available to fund them. The following goals and objectives have been developed by each City department for FY 2017.

Departmental Goals and Objectives

Administration

Goal: Continue to improve the City's overall financial condition.
Objectives:

1. Prepare and administer a fiscally conservative operating and capital budget that stays within available resources. Build up the reserve funds to the targeted level in each fund.
2. Prepare accurate monthly financial reports for the governing body and management, so that decision-makers have timely financial information.
3. Obtain an unqualified (clean) audit opinion, and prepare a Comprehensive Annual Finance Report.
4. Continue to reduce the outstanding debt of the City, while incurring only a limited amount of new indebtedness.
5. Continue to aggressively collect all property taxes due, using tax lien sales as needed.
6. Continue to aggressively collect overdue utility bills, using account termination and collection agencies as needed.
7. Perform an audit of the hotel/motel operators to assure compliance with the hotel/motel tax ordinance and an audit of our utility franchisees to assure compliance with the franchise terms and payments.
8. Continue to monitor internal controls so that all funds are properly received and accounted for.
9. Adopt and implement a Purchasing Policies and Procedures Manual to assure budgetary compliance, and best pricing.
10. Monitor the City’s property damage claims and implement incentives to reduce at-fault incidents from prior years.

Goal: Continue to improve the City's capacity to provide quality customer service.
Objectives:

1. Complete the implementation of an AMR (automated meter reading) system to improve efficiency and keep the number of misreads on utility accounts at a minimum.
2. Correct billing errors within a 24-hour time period.
3. Control fraudulent account set ups by customers where possible.
4. Remain aggressive with all collection accounts.

Goal: Continue to improve the City's records retention program.
Objectives:

1. Implement a system to scan all City records into a digitized, searchable database.
2. Continue to reduce paper copies whenever possible by using the server storage capability and making all City records available in an electronic format.
3. Destroy all records that have surpassed the City's adopted records retention schedule or that have been scanned and are not of historical value.

Goal: Assure that the City maintains a good work environment and has a competitive salary and fringe benefits structure to recruit and retain qualified employees.
Objectives:

1. Administer the Personnel Policies and Procedures Manual (Employee Handbook) which was adopted in December, 2013 in a fair, impartial manner.
2. Continue to recruit broadly to obtain a workforce that resembles the community.
3. Maintain the revised Classification and Compensation Plan developed by the Carl Vinson Institute at the University of Georgia and adopted and implemented in FY 2015.
4. Monitor the City's workers compensation claims and implement incentives to reduce higher claims from prior years.

Planning & Building Inspections Department

Goal: Enhance the availability of parking in the downtown area.
Objectives:

1. Develop a plan for additional parking spaces in and around the downtown area.
2. Implement the 2016 Agreement with First Methodist Church for a shared parking lot.

Goal: Continue to encourage the development of housing ownership options for low- and moderate-income citizens.
Objectives:

1. Take the necessary steps to develop a Land Bank Authority to provide buildable city lots for the City and non-profit organizations to provide assistance to low and moderate income citizens.
2. Continue the CHIP Program.

Goal: Continue to deal effectively with the development community, while assuring that the City's development objectives are met.
Objectives:

1. Review subdivision plats and resolve any issues in a timely manner.
2. Continue to provide clear schedule deadlines for the Planning Commission submittals, public hearing advertisement requirements, and City Council public hearing dates.
3. Meet with developers before they begin design so that they are clearly informed of our criteria.
4. Meet with developers and others on rezoning requests and variance requests so that they understand possible compatibility issues.

Goal: To proactively plan for the growth of the community.
Objectives:

1. Ensure follow through and compliance with the City's Comprehensive Plan.
2. Seek new annexation opportunities.

Goal: Improve the physical condition of all neighborhoods. Make Code Enforcement more effective.
Objectives:

1. Research/ implement possible property maintenance code adoption.
2. Identify all structures that are deteriorated and dilapidated, and notify the owners that they must be brought up to the minimum housing code or be demolished through the Unfit Housing Ordinance.
3. Identify all lots and tracts that need to be mowed and raked, and notify the owners that these nuisances must be removed.
4. Identify all junked or abandoned vehicles on lots and tracts, and notify the owners that these nuisances must be removed. Update current ordinance.
5. Adopt ICC Property Maintenance Code or update Nuisance Ordinance.

Goal: Update the Zoning Ordinance to more current standards to meet the needs of the City and the citizens.
Objectives:

1. Update the current mobile home ordinance.
2. Review other cities zoning ordinances and procedures for ideas and work with a qualified consultant for assistance in rewriting the Zoning Ordinance.
3. Recommend changes to the Zoning Ordinance for action by the Planning Commission and adoption by the City Council.
4. Update the City's sign ordinance.

Goal: Seek new economic development opportunities.
Objectives:

1. Research new business opportunities and develop incentives to encourage companies to expand or build in the City of Sandersville.
2. Actively seek hotel/motel prospective developers and owners.

Police Department

Goal: Decrease the amount of traffic accidents within the City.
Objectives:

1. Provide planned license check points for safety enhancement within the community.
2. Conduct traffic operations at specific locations and during special dates and events to apprehend DUI offenders.
3. Encourage continued Community Policing through officer's participation in community events that provide training in proper car seat usage for parents.

Goal: Decrease the amount of drug-related crime within the City.
Objectives:

1. Encourage and develop sustainable "neighborhood watch" programs to stimulate community involvement in order to combat illegal drug sell, drug use and gang activity.
2. Redirect Ocmulgee Task Force funds to create a Special Response Team to participate in special operations throughout the City.
3. Research and utilize effective techniques to deter gang activity within the City.

Goal: Decrease the amount of crime related to physical assaults.
Objectives:

1. Contact DFACS and other agencies to identify and prosecute cases of physical abuse.
2. Continue to aggressively apprehend and prosecute offenders that commit physical assaults.
3. Identify and publicize the names and locations of known pedophiles within the City of Sandersville.
4. Research through the Police Data Base incidents concerning domestic abuse and ensure all information concerning assistance is given and follow up in order to deter recidivism.

Goal: Continue to maintain high professional standards and improve the morale of the department.
Objectives:

1. Maintain the status of a Georgia Certified Law Enforcement Agency by achieving re-certification.
2. Support all efforts of the Certification Manager through the maintenance of files and documents for certification compliance.
3. Continue in-house training program on all operating policies and procedures required to maintain the status as a Georgia Certified Police Department.
4. Prepare for the onsite assessment in order to be recertified as a Georgia Certified Law Enforcement Agency.

Animal Shelter

Goal: Improve the Animal Control officer's professional knowledge and skills level.
Objectives:

1. Animal Control officers will attend Animal Control training from the National Standards level.
2. Evaluate current Animal Control policies and procedures in order to implement and utilize best practices.

Goal: Maintain a reasonable adoption rate for Dogs and Cats.
Objectives:

1. Notify the public of the availability of cats and dogs that are ready for adoption by media, web-sites, Facebook and hand-out literature at the Animal Shelter.
2. Continue to participate in scheduled events that will increase the community awareness of cats and dogs that are ready for adoption.

3. Schedule a minimum of six off-site Saturday adoption events to provide the public more accessibility to the animals available for adoption.
4. Research and negotiate the transfer and adoption of cats and dogs with other humane and adoption agencies that have demonstrated professional care and treatment of domestic animals.

Goal: Increase citizens and community visits to the shelter to promote awareness.

Objectives:

1. Encourage citizens to visit the Animal Shelter by hosting activities that are interesting. Use advertisements, media and internet to communicate activities hosted at the Animal Shelter.
2. Encourage citizens to participate in tours of the Animal Shelter Facility.

Fire Department

Goal: To maintain and improve on safety and security for our Firefighter Personnel

1. Objectives:
2. Replace worn and damaged personal protective equipment such as coat, pant, boots, and helmets when needed.
3. Maintain and repair any equipment and apparatus that does not meet 100% of service levels and safety integrity.
4. Offer above the state minimum of 24 hours annual training for all personnel.
5. Continue to maintain a "Safety Officer" position in the Department and to establish the Safety Officer role at all working structure fires as well as at all training classes.
6. Establish an Incident Command Officer, Operations Officer, and Rehab Officer at all working structure fires or any large scale event.
7. Perform inspections and pre-planning for commercial structures so the Department is aware of hazards and so they can make a sound action plan of attack.
8. Install forward facing cameras in fire apparatus to record the path of travel, driving skills, and event activities at an emergency scene that can be used as a training tool at fire drills.
9. Replace the old firehouse security camera system with an updated recorder and high quality cameras to monitor the activities in and around the fire apparatus and equipment.

Goal: To continue a state of readiness and preparedness while working with limited funding

Objectives:

1. Prioritize all spending based on the highest priority
2. Use in house personnel to include members of the Volunteer force and their skills to make minor repairs and maintenance when possible
3. Teach all personnel awareness of correct vehicle and equipment use to minimize unnecessary wear and tear which will extend their life

Goal: Improve Volunteer Recruitment & Participation.

Objectives:

1. Improve Volunteer Participation by using the State Pension Fund Rules of minimum participation requirements needed to stay on the roster.

2. Improve Volunteer recruitment by continuing to offer a per call/activity pay, membership in the Georgia Firefighters Association, and access to joining the Georgia Firefighters Pension Fund.
3. Offer access to the Armed Forces Benefit Fund free life insurance policy.

Public Works Department- Administration

Goal: Provide Quality Assistance to Employees and Customers.
Objectives:
1. Maintain and track customer work orders.
2. Review employee time records and documents.
3. Administer utility locates and transfer information to various departments.
4. Keep records of environmental reports and other documents.
5. Maintain GPS data base.
6. Distribute general work directives to supervisors and junior employees.
7. Hold meetings with technical professionals, environmental staff, construction staff, and members of the community.
8. Maintain the operating budget for all Public Works Departments.

Public Works Department -Streets

Goal: Improve Sidewalk Safety.
Objectives:
1. Visually inspect sidewalks for defects and potential hazards.
2. Repair or replace damaged sidewalk as needed.
3. Installed ADA friendly ramps were needed.
4. Keep a record through the work order system.
5. Respond to customer complaints in a timely manner.

Goal: Complete Downtown Master Plan.
Objectives:
1. Complete construction of Paul Thiele Park.
2. Begin demolition and construction of E. Haynes Street Improvement Project.
3. Install new water and sewer lines, relocate overhead utility lines to underground.
4. Replace sidewalks with brick/concrete sidewalk and demo existing roadway and re-pave road.
3. Acquire Brownfield Grant for demolition of Downtown Café.

Goal: Complete Sign Retro-reflectivity Plan.
Objectives:
1. Complete the replacement on non-prismatic signs with HIP signs that conform to DOT standards for retro-reflectivity.
2. Replacement of damaged or missing signs as to improve safe driving conditions

Goal: Maintain Professional Disc Golf Course.
Objectives:
1. Maintain grounds and trails for new disc golf course.

2. Inspect equipment for vandalism and damage.
3. Work with recreation department on special events at disc golf course.

Public Works Department- Fleet Maintenance

Goal: Reduce Inventory of Surplus Equipment.
Objectives:
1. Remove City logos and decals from vehicles.
2. Remove specialized equipment such as two-way radios, strobe lights, sirens, etc.
3. Identify for the Purchasing Agent what vehicle/equipment is ready for surplus.
4. Accurately describe the vehicle so that it may be listed on the auction site.
5. The Maintenance Supervisor will oversee the pickup of the surplus equipment and vehicles.

Public Works Department- Parks & Cemetery

Goal: Maintain and beautify the Cemetery and other public areas to enhance the City's appearance.
Objectives:
1. Provide training of employees on proper maintenance techniques and continue the seasonal lawn care and flower planting schedule.
2. Work with the scheduling of special events that take place in the Old City Cemetery.
3. Develop a maintenance plan for the new Thiele Park located downtown.

Public Works Department- Solid Waste Collection

Goal: Increase Customer Satisfaction through Education.
Objectives:
1. Increased communication to the public to educate them on the proper methods of garbage disposal.
2. Promote education on proper methods of recycling.
3. Reduce amounts of mixed waste and code enforcement complaints.

Public Works Department- Water and Wastewater

Goal: Modernization of Water System Infrastructure.
Objectives:
1. Demolish the existing South Water Plant.
2. Construct a new water treatment facility located to the south of the previous station.
3. Integrate the new treatment plant with the water system and SCADA system.

Goal: Attain compliance with the EPD on WWTP Operations.
Objectives:
1. Using USDA funds, install a new bar screen and grit collector system.
2. Dredge and install aerators in the existing pond.
3. Install the lift station that was removed from Carver Street and pipe the pond to the headworks of the WWTP for retreatment.

Goal: Upgrade of the City's Water Meter System Technology.
Objectives:
1. Complete the installation of (559) ¾" residential radio read meters.
2. Complete replacement of 1" and larger meters to Itron units.

Goal: Install Water Services to New Residential and Commercial Customers.
Objectives:
1. Loop the City water system by supplying a 12" water line that will connect on Hwy 15 and travel along Ridge Road to Hwy 242. This looped system will provide water to the Anderson Drive area and support areas for economic development.

Goal: Increase Capacity of the City's Sewer System with the Elimination of a Pumping Station.
Objectives:
1. Demolition of the existing Davisboro Pump Station.
2. Demolition of the Royal Lane Pump Station.
3. Construction of a higher capacity Pumping Station to replace the Davisboro Pump Station.
4. Replacement and improvements to the sewer grid in the basin area.

Electric Department

Goal: Continue to operate the City's Electric system in compliance with all federal and state regulations in order to provide affordable energy service to new and existing customers while avoiding any serious injuries or property damage.
Objectives:
1. Educate the public on conservation methods to reduce utility bills and promote a more energy efficient environment.
2. Continue to provide systematic training in operations and safety for all Electric employees.
3. Have no serious accidents during the year.
4. Continue to participate in the Municipal Electric Authority of Georgia (MEAG) for the purchase of power and in the Electric Cities of Georgia (ECG) for marketing and other support in the electric industry.

Goal: To expand the system in the most desirable locations to maximize both service and profitability.
Objectives:
1. Market the City's electric service to new residential customers and proposed commercial and industrial developments.
2. Continue to install services to new residential subdivisions and commercial developments.
3. Identify those areas within the City's electric territory that are without service for future expansion.

Goal: To provide the best service possible to our customers and to have a well maintained electric system with reliable power in a secure and safe environment.

Objectives:
1. To have properly trained employees with reliable equipment.
2. To meter all unmetered City owned facilities.
3. To continue our tree trimming program throughout the City with contract labor to minimize power outages, provide for a more a safe environment and help lower overtime expenditures.
4. To complete the installation of AMR meters in FY 2017.

Telecom Department

Goal: To maintain the Telecom department as a self-sufficient department non-reliant on any other City Fund for support.
Objectives:
1. To work with a Telecom consultant using the 2012 cost of service study of the Telecom system, including customer base and infrastructure, to determine the viability of the City remaining in the Telecom business and possible alternatives such as selling or leasing the system.

Goal: To provide the best service possible to our customers through a well maintained reliable telecom system that operates in a secure environment.
Objectives:
1. Determine the most cost efficient means of making reliable Telecom services available to our customers either by the City or through a partnership with a preferred provider.
2. Continue routine maintenance and scheduled replacement of our equipment.

Long Term Goals

The City's short term goals and objectives are linked to five long term goals established by the Mayor and City Council. They are:

1. Protect and improve the financial integrity of the City.
2. Maintain a safe and secure environment for our citizens and their property.
3. Provide excellent customer service in all service areas.
4. Encourage economic development and growth in our community.
5. Promote a healthy quality of life by being good stewards of our environmental resources.

ALIGNING SHORT TERM GOALS WITH LONG TERM GOALS

DEPARTMENT	SHORT TERM GOAL	I. PROTECT AND IMPROVE THE FINANCIAL INTEGRITY OF THE CITY	II. MAINTAIN A SAFE & SECURE ENVIRONMENT FOR OUR CITIZENS AND THEIR PROPERTY	III. PROVIDE EXCELLENT CUSTOMER SERVICE IN ALL SERVICE AREAS	IV. ENCOURAGE ECONOMIC DEVELOPMENT & GROWTH IN OUR COMMUNITY	V. PROMOTE A HEALTHY QUALITY OF LIFE BY BEING GOOD STEWARDS OF OUR ENVIRONMENTAL RESOURCES
Administration	1. Improve the City's overall financial condition	X				
	2. Improve the City's capacity to provide quality customer service.			X		
	3. Improve the City's records retention program.			X		
	4. Maintain a good work environment with a competitive salary and fringe benefits structure to recruit and retain qualified employees.			X		
Planning & Building Inspections	1. Enhance the availability of parking in the downtown area.				X	
	2. Encourage the development of housing ownership options for low a moderate income citizens.				X	
	3. Deal effectively with the development community while assuring that the City's development objectives are met.				X	
	4. Proactively plan for the growth of the community.				X	
	5. Improve the physical condition of all neighborhoods.		X			
	6. Update City's Zoning Ordinance to more current standards.				X	
	7. Seek new economic development opportunities.				X	
Police Department	1. Decrease the amount of traffic accidents within the City.		X			
	2. Decrease the amount of drug-related crime within the City.		X			
	3. Decrease the amount of crime related to physical assaults.		X			
	4. Continue to maintain high professional standards and improve the morale of the department.		X			
Animal Shelter	1. Improve Animal Control officers professional knowledge and skills level.			X		
	2. Maintain a reasonable adoption rate of Dogs and Cats.			X		
	3. Increase citizen and community visits to the shelter.			X		
Fire Department	1. Maintain and improve safety and security for Firefighter Personnel.		X			
	2. Continue a state of readiness and preparedness with limited funds.			X		
	3. Improve volunteer recruitment and participation.			X		
Public Works Administration	1. Provide quality assistance to employees and customers.			X		
Streets	1. Improve sidewalk safety.		X			
	2. Complete Downtown Master Plan.				X	
	3. Complete Sign Retro-reflectivity Plan.		X			
	4. Maintain Professional Disc Golf Course				X	
Fleet Maintenance	1. Reduce inventory of surplus equipment.	X				
Parks & Cemetery	1. Maintain and beautify the Cemetery and other public areas and parks to enhance the City's appearance.					X
Solid Waste Collection	1. Increase customer satisfaction through education.					X
Water and Wastewater	1. Modernization of the City's water system infrastructure.					X
	2. Attain compliance with the EPD on WWTP operations.					X
	3. Upgrade of the City's water meter system technology.			X		
	4. Install water services to new residential and commercial customers.				X	
	5. Increase capacity of the City's sewer system with the elimination of a pumping station.					X
Electric Department	1. Operate the City's Electric system in compliance with all federal and state regulations in order to provide service to new and existing customers while avoiding any serious injuries or property damage.			X		
	2. Expand the system in locations to maximize service and profitability.	X				
	3. Provide the best service possible to our customers from a well maintained electric system with reliable power in a secure, safe environment.			X		
Telecom Department	1. Maintain the Telecom department as a self-sufficient department non-reliant on any other City Fund for support.	X				
	2. Provide the best service possible to customers through a well maintained reliable system that operates in a secure environment.			X		

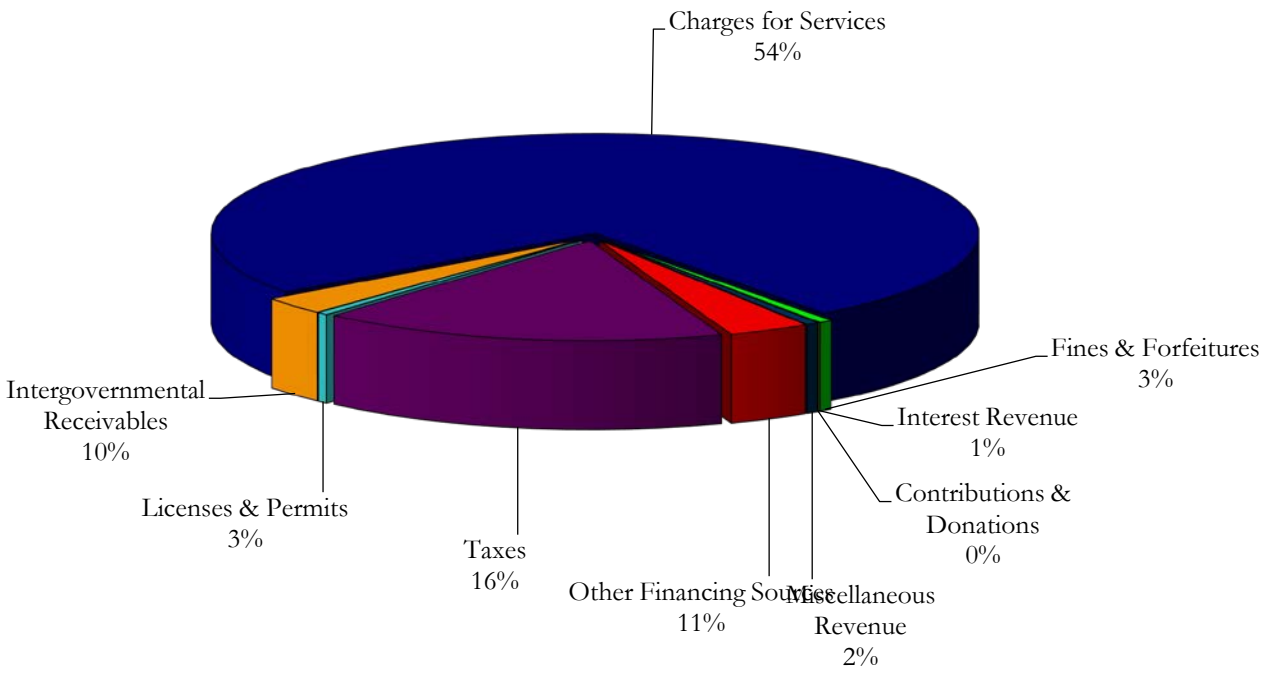

CITY OF SANDERSVILLE, GEORGIA
WASHINGTON COUNTY
THE KAOLIN CITY
ESTABLISHED 1796

City of Sandersville Summary of All Funds

This section consists of a consolidated summary of all funds used to provide city services. The revenue sources and expenditures of the City of Sandersville may be more easily understood by reviewing the charts on the next pages. Also included in this section are three-year budget spreadsheets (FY 2015 actual, FY 2016 budgeted, and FY 2017 recommended budgets) for each of the fund categories.

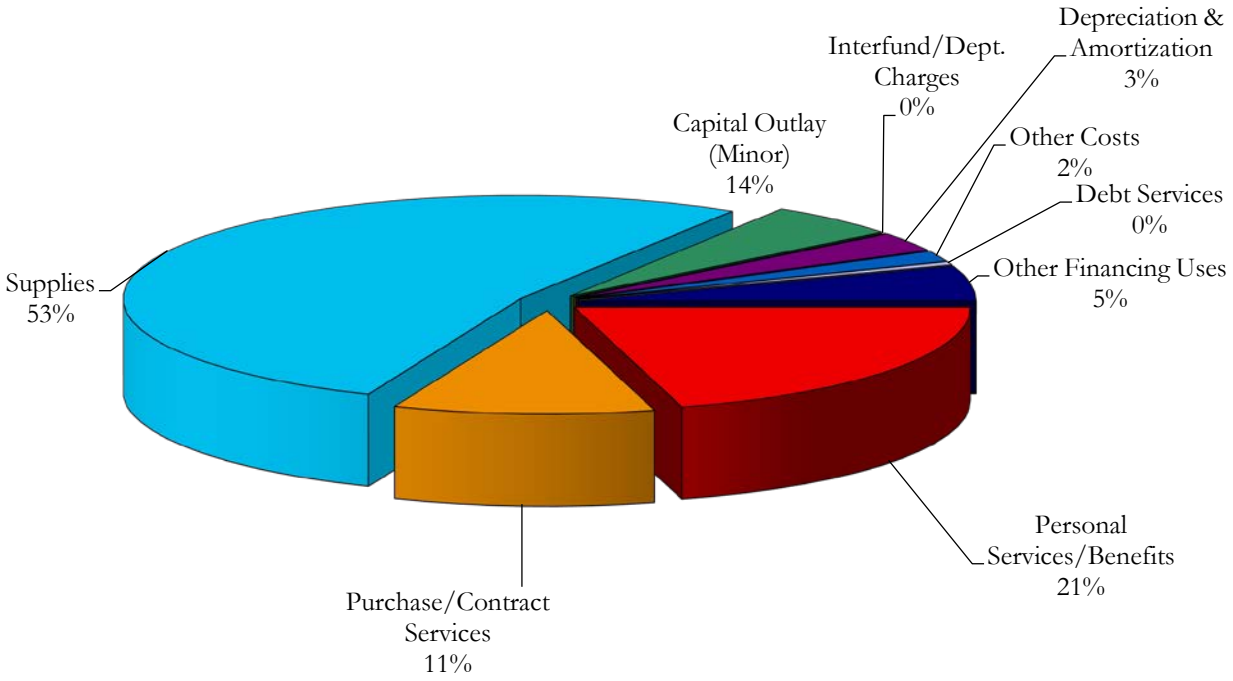

Please see the individual tabs for detailed budget information and the services provided by the various fund.

RESOLUTION #2016-31: A RESOLUTION TO ADOPT THE FISCAL YEAR 2017 BUDGET FOR EACH FUND OF THE CITY OF SANDERSVILLE, GEORGIA, APPROPRIATING THE AMOUNTS SHOWN IN EACH BUDGET AS EXPENDITURES/EXPENSES, ADOPTING THE SEVERAL ITEMS OF REVENUE ANTICIPATIONS, AND PROHIBITING EXPENDITURES OR EXPENSES FROM EXCEEDING THE ACTUAL FUNDING AVAILABLE FOR APPROPRIATION

WHEREAS, Title 36, Chapter 81, Article 1 of the Official Code of Georgia Annotated (OCGA) requires a balanced Budget for the City's fiscal year, which runs from January 1st to December 31st of each year; and

WHEREAS, the Mayor and City Council have reviewed the proposed FY 2017 Budget as presented by the City Administrator; and

WHEREAS, each of these funds is a balanced budget, so that anticipated revenues and other financial resources for each fund equal the proposed expenditures or expenses; and

WHEREAS, the advertised public hearing has been held on the FY 2017 proposed Budget as required by Federal, State and local laws and regulations; and

WHEREAS, the Mayor and City Council wish to adopt this proposal as the Fiscal Year 2017 Annual Budget and Capital Improvements Plan;

NOW THEREFORE, BE IT RESOLVED by the Mayor and City Council of the City of Sandersville, Georgia as follows:

Section 1. The proposed Fiscal Year 2017 Budget, attached hereto and incorporated herein as a part of this Resolution, is hereby adopted as the Budget for the City of Sandersville, Georgia for Fiscal Year 2017, which begins January 1, 2017 and ends December 31st, 2017.

Section 2. The several items of revenues, other financial resources, and sources of cash shown in the budget for each fund in the amounts shown anticipated are hereby adopted, and that the several amounts shown in the budget for each fund as proposed expenditures or expenses, and uses of cash are hereby appropriated to the departments named in each fund.

Section 3. The "legal level of control" as defined in OCGA 36-81-2 is set at the departmental level, meaning that the City Administrator in her capacity as Budget Officer is authorized to move appropriations from one line item to another within a department, but under no circumstances may expenditures or expenses exceed the amount appropriated for a department without a further Budget amendment approved by the Mayor and City Council.

Section 4. All appropriations shall lapse at the end of the fiscal year.

Section 5. The Authorized Personnel by department and division shown in this Budget are hereby formally adopted as the number of authorized positions within each department and division, until and unless amended by resolution of the Mayor and City Council.

Section 6. The Proposed Pay Plan for FY 2017 shown in this Budget, as amended, is hereby formally adopted as the City's Pay Plan effective on January 1, 2017, unless further amended by resolution of the Mayor and City Council.

Section 7. The proposed Capital Improvements Program presented is hereby adopted as the City of Sandersville's Capital Improvements Program for FY 2017-FY 2022. This Program is hereby adopted as the City's long-term financial plan unless further amended by resolution of the Mayor and City Council.

Section 8. This Resolution shall be and remain in full force and effect from and after its date of adoption.

Adopted this 19th day of December, 2016.

RESOLUTION #2016-32:
A RESOLUTION ADOPTING FINANCIAL POLICIES FOR THE CITY OF SANDERSVILLE, GEORGIA

WHEREAS, the City of Sandersville has developed a number of financial policies which guide the preparation and administration of the budgeting, accounting, investment, risk management, debt, auditing, and financial reporting functions of city government; and

WHEREAS, the Mayor and City Council have reviewed the Financial Policies proposed by the City Administrator, and desire to adopt those policies;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Sandersville, Georgia in regular session assembled this 19th day of December 2016 that the financial policies included on the attached pages are hereby adopted as the Financial Policies for the City of Sandersville.

BE IT FURTHER RESOLVED that the City Administrator is hereby directed to develop the annual proposed Budget and Capital Improvements Program, and to administer them in conformance with these policies.

This Resolution shall be effective from and after its date of adoption.

Adopted this 19th day of December, 2016.

CITY OF SANDERSVILLE, GEORGIA

_____
By: James W. Andrews, Mayor

_____
Attest: Karrie Brown, City Clerk

Financial Policies and Budget Preparation

The City Council has adopted policies in all areas of financial management, which guide the preparation, adoption, amendment, and administration of the Operating Budget, the Capital Budget, and the Capital Improvements Plan. Below is a listing of those policies in the areas of:

Operating Budget Policies
Capital Budget/ Long Term Planning Policies
Revenue Policies
Reserve Policies
Cash Management and Investment Policies
Risk Management Policies
Debt Policies
Accounting, Auditing, and Financial Reporting Policies

Operating Budget Policies

The City Council shall hold an annual Planning Session each year in order to establish priorities for funding in the next fiscal year; and discuss long-range planning of major capital improvements.

The City shall annually adopt a balanced budget in which planned revenues available equals planned expenditures; and, any subsequent amendment must identify the revenues or other financing sources necessary to maintain said balance.

The City will not appropriate fund balance or retained earnings in any fund that would hinder meeting the reserve targets established herein. Once those targets are met in a particular fund, any amount over the target may be appropriated either for capital improvements or unexpected operating expenses.

The City will pay competitive wages and fringe benefits in order to attract and retain quality personnel.

All Enterprise Funds shall be self-supporting from their fees and charges, without any subsidy from the General Fund. Transfers to the General Fund from the Enterprise Funds shall be made only after sufficient net income is retained to cover debt service and capital improvements essential to properly maintain and expand these utility services.

The Solid Waste Collection Fund should reflect the true costs to provide residential and commercial garbage collection, disposal and recycling; brush collection and disposal; bulk (white goods) collection and disposal; and leaf collection and disposal. The City Council shall evaluate annually the extent to which this service is supported by service charges rather than a subsidy from the General Fund.

The City shall aggressively pursue improvements in technology and work methods that will improve service levels and/or reduce operating costs.

The City shall use one-time revenues only for capital items, unexpected operating expenses or to build reserves, instead of operating expenditures/expenses.

The City shall raise property taxes only when absolutely necessary to balance the Budget and maintain adequate reserves. Any property tax increase should be used only for the purchase of additional capital improvements or to increase needed personnel.

All appropriations and expenditures shall be made in full compliance with applicable State laws and the City's Purchasing Manual.

The City will follow the Budget Preparation Calendar prepared by the City Administrator each year.

The Budget shall be prepared in full compliance with the State's Uniform Chart of Accounts, and with Generally Accepted Accounting Principles (GAAP) for Governments as promulgated by the Government Accounting Standards Board. This means the General Fund, Capital Projects Fund, Debt Service Fund, Expendable Trust Funds, and Special Revenue Funds will be budgeted on the modified accrual accounting basis. Enterprise Funds and Internal Service Funds will be budgeted on the full accrual accounting basis. The basis of budgeting is used to determine when budgetary revenues have been realized and when budgetary expenditures have been incurred.

All Budgets shall be adopted at the legal level of budgetary control, which is the fund/department level (i.e., expenditures/expenses may not exceed the total appropriation for any department within a fund without the City Council's approval).

The City Administrator shall prepare an annual Budget that meets the requirements to receive the Distinguished Budget Presentation Award from the Government Finance Officers Association.

Capital Budget/ Long Term Financial Planning Policies

The City shall adopt a Capital Improvements Plan (CIP) annually which will include the next fiscal year's Capital Budget, plus planned improvements for the following five years.

The City shall make every effort not to add additional programs and services until both the Operating Budget and the CIP are adequately funded.

The City shall provide resources from current revenues to fund an adequate maintenance and replacement schedule for infrastructure, and the vehicle and equipment fleet.

The City will aggressively pursue state and federal funding, as well as other sources of funding for capital improvements.

All operating budget appropriations shall lapse at the end of a fiscal year. Appropriations for Capital Projects which have not been completed by fiscal year-end must be re-appropriated for the balance due on the project in the next fiscal year.

Revenue Policies

The City will budget revenues conservatively so that the chance of a revenue shortage during the year is remote. This also will help finance contingencies and Budget amendments that were unforeseen when the Budget was first adopted.

The City will review annually all fees and charges to assure that they maintain their inflation-adjusted purchasing power.

Since different revenue sources impact classes of taxpayers differently, the City Council recognizes that the only way to minimize these different impacts is to have a diversified revenue system. These impacts will be considered in making any needed adjustments to the various sources of revenue.

The City will make every effort not to become too dependent on one source of revenue in order to minimize serious fluctuations in any year.

The City will consider market rates and rates of comparable cities in the region when changing tax rates, fees, and charges. The City will make every effort to maintain its favorable comparative position with other Georgia cities in this regard, which will contribute to our economic development success.

All cash donations to any department or agency of the City must be deposited with the Finance Officer's Office. All purchases using such donations must be budgeted and will comply fully with the City's purchasing policies. The City cannot accept donations on behalf of an outside agency or group. Donations of equipment or supplies may be made directly to a department or agency of the City. Donated equipment meeting the definition of a fixed asset must be reported to the Purchasing Agent, for tagging and listing.

Reserve Policies

The City Council recognizes the need to set reserve targets for every operating fund of the City. The targets for those funds using the modified accrual basis of accounting are set as the percentage that the undesignated fund balance is to the combined budgeted expenditures and transfers to other funds. The targets for those funds using the accrual basis of accounting are set as the percentage that the working capital is to the budgeted operating expenses and transfers to other funds. The targets are as follows:

Fund Title	*Undesignated Fund Balance (or Working Capital) as a % of Expenditures (or Operating Expenses) and Transfers Out*
General Fund	25% Fund Balance
Water/Wastewater Fund	17% Working Capital
Electric Fund	17% Working Capital
Telecom Fund	17% Working Capital
Solid Waste Collection Fund	17% Working Capital

These reserve targets shall be reviewed annually by the City Administrator who shall report to the City Council on their continued adequacy.

Cash Management and Investments Policies

The City will make all deposits of cash within the time period required by State law. All deposits must be fully collateralized as required by State law.

The City will aggressively pursue all revenues due, including past due utility bills, court tickets and fines, and property taxes, using whatever legal means are available.

The City will pay all obligations on or before the due date.

The City will continue the current cash management and investment policies, which are designed to emphasize safety of capital first, sufficient liquidity to meet obligations second, and the highest possible yield third. Those policies are outlined below:

The Electric Fund claim on cash inside of the City's pooled cash account will remain at a balance of $1,000,000 each month and at the end of each month (after bank reconciliation) the surplus exceeding $1,000,000 will be transferred to the City of Sandersville Electric Fund bank account for payment of the MEAG power bill.

The City will operate with the least number of bank accounts required by federal and state statutes and regulations and GAAP for governments. Consolidation of bank accounts makes investment decisions easier, and reduces staff time needed to reconcile monthly bank statements.

The City Administrator will make a twelve-month cash flow projection, and from that develop a schedule of long-term investments. These investments could be any type authorized by State law. All investments shall be made using competitive bidding and must fully comply with State collateralization of deposits. Such investments shall be pooled from among the various funds, and bid out no more frequently than once a quarter. This keeps the investment process manageable with limited staff.

Risk Management Policies

The City will minimize potential losses through employee safety training, inspections of the workplace, risk analysis, and OSHA compliance. The City Clerk/ Human Resources Director shall be responsible for these programs.

A drug-testing program shall continue for all potential employees, as well as random testing of all federally-required employees.

The City will continue to participate in the Georgia Municipal Association's Risk Management Pool for virtually all necessary coverages, including General Liability, Automobile Liability, Errors and Omissions, Property, Boiler and Machinery, Inland Marine, Special Events and Worker's Compensation.

Annual inspections of premises and work practices shall be performed by the risk management staff of the GMA Pool, and the City will correct any deficiencies noted.

Debt Policies

The City will issue bonds and capital outlay notes only for capital improvements and moral obligations. The City will attempt to fund capital improvements through net income of the utility systems, general revenues, and its portion of any SPLOST (Special Purpose Local Option Sales Tax) funds before resorting to long-term debt issuance. This will reduce the overall indebtedness and strengthen the City's creditworthiness.

The City will not issue notes or bonds to finance operating deficits. Adequate reserves will be maintained to assure this doesn't become necessary. No bond or note will be issued to purchase a fixed asset that has a shorter useful life than the term of the debt instrument.

The City will issue general obligation bonds or capital outlay notes for necessary general government projects and either general obligation or revenue bonds for enterprise fund projects. The City may also use pooled capital lease funds from GMA and loans from the Georgia Environmental Facilities Authority (GEFA).

No debt will be issued which would increase the outstanding amount of debt above ten (10%) percent of the total assessed value of property within the City. The outstanding amount of debt in this calculation shall not include debt issued for improvements in the utility systems, because that debt will be repaid from charges for services, not from property taxes. These limitations are found in Article IX., Section V, Paragraph 1 and Article IX., Section VI, Paragraph 1 of the Georgia Constitution.

A firm source of revenue sufficient to make the anticipated debt service payments must be identified by the City Council before any capital outlay note, GEFA loan, GMA capital equipment lease, general obligation bond, or revenue bond is issued.

Accounting, Auditing, and Financial Reporting Policies

The City Council will receive a monthly finance report showing Income Statements, Cash Flow Statements where appropriate, and all Investments.

The City shall have a qualified certified public accounting firm conduct an independent audit annually, as required by OCGA 36-81-7 (a)(1).

The City will maintain its accounting records in full accord with Generally Accepted Accounting Principles (GAAP) as promulgated by the Government Accounting Standards Board. The City Administrator is expected to obtain clean (unqualified) Audit Opinions each year.

The Annual Audit shall be submitted to the State Auditor before June 30th of each year, so that the City complies with OCGA 36-81-7 (d) (1). Any deficiencies noted by the Auditors shall be

corrected immediately by the City Administrator.

The Budget Process

The City's Budget process shall begin in early July when department heads will be given electronic format forms upon which to submit their operating and capital budget requests. The City Council is also notified to give the City Administrator any requests they might have, so that costs may be researched. Departmental requests for the Capital Improvements Program are to be turned in to the City Administrator by August 1st, and all Operating Budget requests are turned in to the City Administrator by September 1st.

The Finance Officer and City Administrator develop the revenue estimates for the Operating Budget, and the amount to be transferred to the CIP and the amount of any proposed bond issues. Then, the review of the operating expenditures and the CIP preparation begins. After the City Administrator and Finance Officer have prepared a preliminary Budget, the City Administrator reviews it to determine whether further cuts are possible, or if additional revenues are necessary. Those decisions are made prior to the first week in November, when a Budget Planning Retreat will be held by the City Council.

At that meeting, the City Administrator will present projections of the current fiscal year's Budget, and the preliminary Operating Budget for Council review. In addition, the City Administrator presents the Council with recommendations for a six-year Capital Improvements Program. The City Council then debates any changes in suggested priorities in both the preliminary Operating Budget and the Capital Improvements Program. Once those priorities are established, the City Administrator finalizes the CIP, and the Operating Budget. The narrative portions of the documents are then prepared. The City Administrator prepares the Budget Message and CIP Letter of Transmittal detailing the major issues, initiatives, and goals and objectives contained in both documents. The Finance Officer prepares the spreadsheets detailing the line item budgets proposed for each fund.

The budget document will be printed in late November, for distribution to the Mayor, City Council, and public by early December. Copies shall be available to the public in the City Clerk's Office. A public hearing will be scheduled for the first regular meeting in December, after which the Budget will be adopted at the second regular meeting in December. The Budget shall become effective January 1st. In the event the Council cannot agree on a Budget before January 1st, an Interim Budget will be adopted, which is simply a continuation Budget from the previous year. Once a Budget is adopted, the Finance Officer will enter the adopted Budget into the accounting system.

Budget amendments may be made at any time throughout the fiscal year. Any amendment request is reviewed by the City Administrator, who makes a recommendation on whether the expenditure should be made, and what revenue source will be used to finance it. All amendments require a Budget amendment resolution, since the original Budget is adopted by resolution. After passage, the City Administrator will authorize the City Finance Officer to enter the amended amounts in the budgetary accounting system.

Budget Amendment Policy

Since a budget is an estimate of revenues and expenditures, the budget management process does not allow for amendments to the Budget. Budget amendments may be made at any time throughout the fiscal year. An amendment request is reviewed by the City Administrator, who makes a recommendation on whether the expenditure should be made, and what revenue source will be used to finance it. All amendments require a Budget amendment require a Budget amendment resolution, since the original Budget is adopted by resolution. After passage of the Budget amendment resolution, the City Administrator authorizes the Finance Officer to enter the amended amounts in the budgetary accounting system.

City of Sandersville, Georgia
Calendar for FY 2017 Budget and CIP Preparation

June 14	City Administrator notifies all Department Heads to begin preparation of CIP Requests.
July 27	City Administrator reviews the Budget Calendar with all Department Heads.
August 1	City Council Sets the Date of November 7 for the Budget Planning Session.
August 1	City Council asked to submit any CIP requests to the City Administrator. (Staff will prepare cost estimates.)
August 2	City Administrator notifies all Department Heads of the Planning Session, and the Deadline for Budget Requests.
August 2	City Clerk schedules the location for the Planning Session.
September 1	Departmental CIP Requests must be turned in to the City Administrator's Office.

Fringe Benefits Summary

The City of Sandersville provides a comprehensive package of fringe benefits for employees. The package includes the following.

Health/Dental Insurance Coverage:

City employees are provided Health and Dental Insurance coverage by the City of Sandersville through Blue Cross & Blue Shield which is administered by the Georgia Municipal Association. The City and its employees are currently paying the following rates for their Benefit Package.

Plan	Coverage	Employee	City	Total Cost
POS - $500 Deductible	Individual	$ 88.22	$ 379.98	$ 468.20
	Family	$ 374.28	$ 261.29	$ 635.57
POS -$1,000 Deductible	Individual	$ 59.22	$ 379.98	$ 439.20
	Family	$ 335.28	$ 261.29	$ 596.57
POS -$1,500 Deductible	Individual	$ 42.22	$ 379.98	$ 422.20
	Family	$ 312.28	$ 261.29	$ 573.57

Details of the coverage are available in the employee benefit handbook.

Life Insurance Coverage:

City employees are provided with $25,000 of life insurance coverage at no cost to the employee.

Short-Term Disability:

City employees are provided with short-term disability insurance that pays 60% of the employee's regular earnings for up to 12 weeks. This benefit begins after the exhaustion of leave and an 8 day waiting period.

Paid Sick Leave:

Employees are credited with one day of sick leave for each month of employment and may carry over up to 200 hours per year. Unlimited accumulation is allowed. Unused sick leave is not paid at termination of employment; credit is given for unused sick leave for employees retiring under the City's retirement plan.

Special Leave With/Without Pay:

Employees are granted time off from work with or without pay at the discretion of the Department Head and the City Administrator for various occasions. Bereavement Leave is granted with pay for a maximum of three days for the death of a member of the immediate family. Jury service is granted with pay. Military Leave is granted with pay for a period not to exceed 18 calendar days in a 12 month period.

Paid Vacation Leave:

Employees earn vacation on a monthly accrual basis based on length of service and may carry up to one week over to be used in the next year. The following days of vacation are earned on an annual basis and are based on a forty hour per week work schedule.

Years of Service	Days Vacation per Year
0 - 6 months	5
1 - 5 years	10
5 - 10 years	12
10 -15 years	15
Over 15 years	20

Paid Holidays:

Employees receive 11 paid holidays per year. The holidays are:

New Year's Day	**Martin Luther King's Birthday**
Memorial Day	**July 4th**
Labor Day	**Veterans Day**
Thanksgiving –2	**Christmas –2**
Floating Holiday -1	

Retirement Plan:

City employees are covered under the Georgia Municipal Association Retirement System. The City pays the full contribution for employees and the employees are vested with 5 years of service with the city.

Deferred Compensation Plan:

City employees are eligible for a 457b Deferred Compensation Program administered by Citistreet through the Georgia Municipal Association. This is a voluntary tax-favored program that allows employees to contribute a portion of their salary before federal taxes into a supplemental retirement account. Various options are available including fixed rate annuities, publicly available mutual funds and life insurance. After one year of employment with the City, the City will match the employee's contribution to the Deferred Comp Plan up to 3% of their annual salary.

Workers Compensation Plan:

The City participates in the GMA Workers' Compensation Self-Insurance Fund which is a group self-insured program authorized by state statue and administered by the Georgia Municipal Association. City employees are covered for occupational injury according to the state worker's compensation laws.

Year End Incentive Payment:

Full time employees who are employed before July 1st of the calendar year receive a Year End Incentive Payment in the amount of $500.00 in December of each year. Full time employees who are employed after July 1st of the calendar year receive a Year End Incentive Payment in the amount of $250.00 in December of each year. Part time employees receive a Year End Incentive Payment in the amount of $50.00 in December of each year.

Competitive Wages, Overtime Pay, and Compensatory Time:

City employees are paid competitive wages, which are evaluated periodically to insure they are comparable to wages paid for similar duties in both the public and private sectors. Employees will receive annual pay increases, if job performance is satisfactory, subject to the approval of the Mayor and City Council. The City's compensation plan gives employees a 1.5% step in pay each year, in addition to the any annual cost of living increase that the Mayor and Council may approve each year with the adoption of the annual budget. Employees are compensated for any overtime worked according to the Fair Labor Standards Act, either with pay at time and one half or compensatory time off, also calculated at one and one half.

Uniforms and Cleaning Services:

Uniforms are provided for city employees, other than clerical and others wearing normal street clothes, in Public Works, Police, Fire, Wastewater, Water/Sewer, Electric and Building Inspections.

CITY OF SANDERSVILLE, GEORGIA
WASHINGTON COUNTY
THE KAOLIN CITY
ESTABLISHED 1796

THE GENERAL FUND

The General Fund is the principal fund of the City, accounting for all activities not included in other specified funds. This fund contains the operational budgets for the Mayor and City Council, General Administration (including the City Administrator's Office, the City Attorney, City Clerk's Office, Human Resources, and the Finance Department), the Municipal Court, the Police Department, Fire Department, Animal Control, the Planning and Building Inspections Department and the Public Works Department (including Public Works Administration, Streets Division, Fleet Maintenance and Parks & Cemeteries Division). It also includes the funding for several outside agencies other than those financed by the Hotel/Motel Tax Fund. Finally, it covers the Debt Service for any outstanding debt used to acquire general fixed assets. Debt Service payments used to acquire fixed assets of the Proprietary Funds are accounted for within those respective funds rather than the General Fund.

REVENUES AND OTHER FINANCING SOURCES

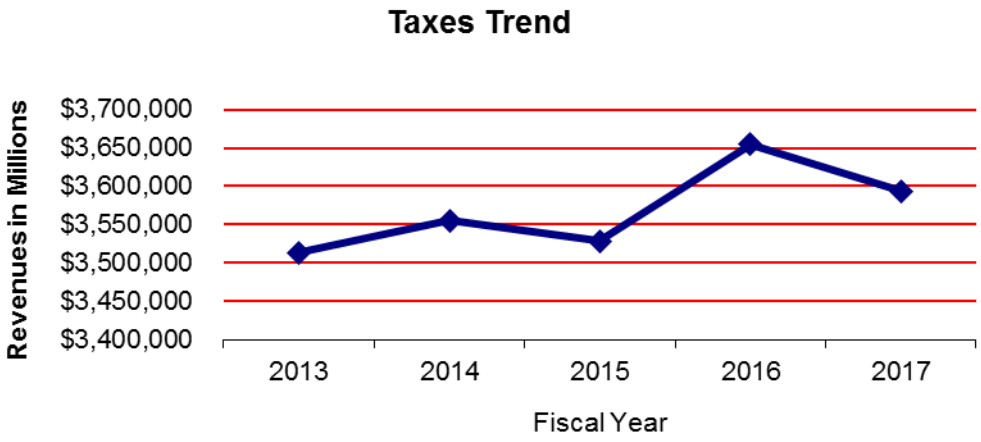

The General Fund's Revenues can be segregated into six major categories:

1. **Taxes** This category provides $3,593,417 of the $4,578,152 General Fund revenues, or 78.49%. The major source of tax revenue is the Property Tax which is budgeted to generate $915,000 in FY 2017. The City's property tax digest which had decreased in each of the last three years, increased somewhat in 2016. In 2015, the millage rate was increased from 4.518 in to 4.828 mills to offset a decrease of $62,704 in net taxes levied resulting from a decline in the net digest of $14,346,349. In 2016, the City adopted a rollback rate of 4.825mills to offset an increase in net taxes levied of $434,575. The City has an excellent collection ratio on this tax, which has been further improved by the use of annual tax lien sales. The projected collection rate for the current year's taxes is 99.0%. The other 1.0% will be collected during the following fiscal year. Prior Year's Taxes is the revenue line item for property taxes due from a previous year.

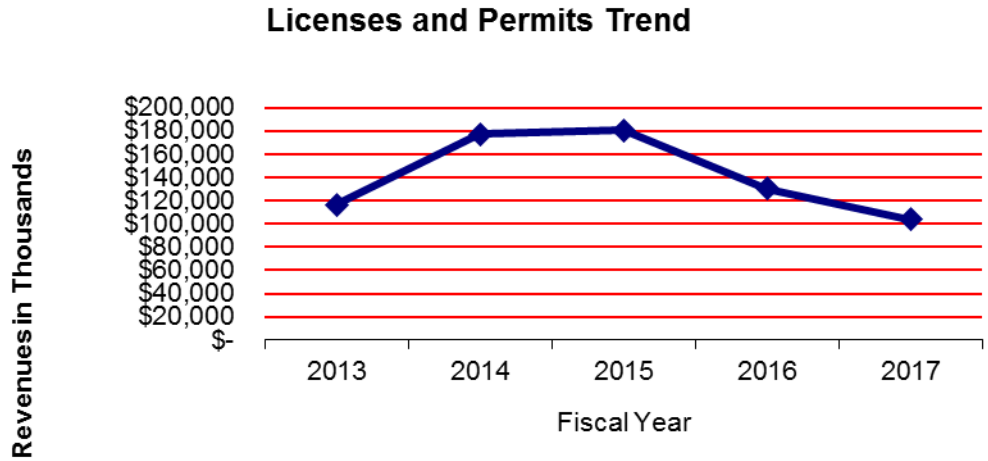

Motor vehicle taxes, budgeted at $86,000, are collected by the Washington County Tax Commissioner based upon the renewal date (usually the owner's birthday). The portion of those property taxes due to the City is remitted to the City on a monthly basis. However, in 2012 the Georgia General Assembly passed HB 386, a tax reform bill, which replaced the sales tax and ad valorem tax on automobiles with a one-time 7% title tax fee. These taxes are budgeted at $100,000 for FY 2017 revenues. The mobile home tax and the real estate transfer tax ($1.00 per every $1,000 of value on such sales) are projected to increase slightly over the current FY 2016 level.

The other major source of taxes are Franchise Fees in the amount of $603,210 which are paid by Georgia Power Company, Washington Electric Membership Cooperative, Charter/ Northland Cable, Atlanta Gas Light and BellSouth/AT&T in addition to $527,496 from the city's Electric Fund. These revenues are projected to decrease by 6.56% from FY 2016 while the city's Electric Fund Franchise Fee is projected to see an increase of $43,681 or 9.03%. This increase is a result of the recent expansion of two of the City's major industrial customers. In the aggregate,

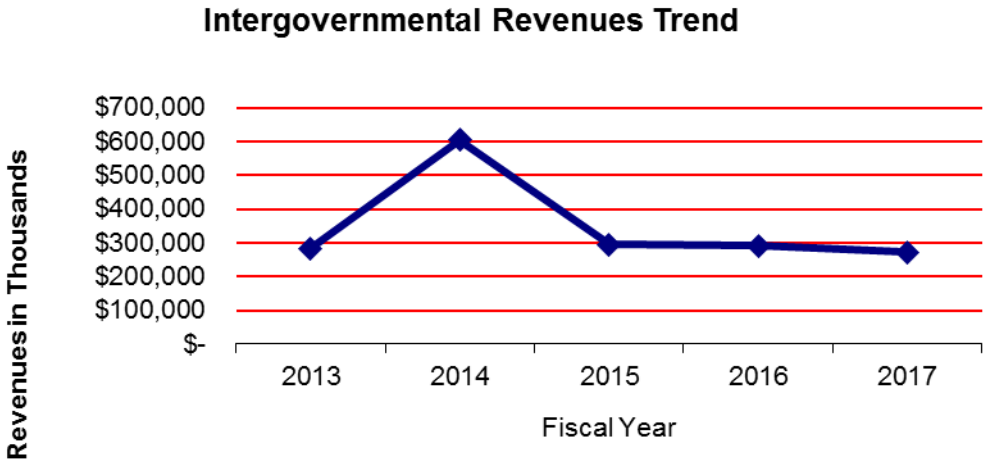

all franchise fees are projected to increase by 0.36%. In FY 2017, Insurance Premium Taxes are projected to remain at the current projected FY 2016 level while LOST (Local Option Sales Tax) is budgeted to decrease by 4.27% from the original FY 2016 budgeted amount. HB 386, adopted in 2012 and implemented in 2013, also eliminated the sales tax on energy used in manufacturing, the sale of construction material, and broadens exemptions for the agriculture industry all of which impacts the collection of LOST in the general fund. Total Taxes as a category is projected to decrease by 1.68%. This is primarily due to this decrease in LOST.

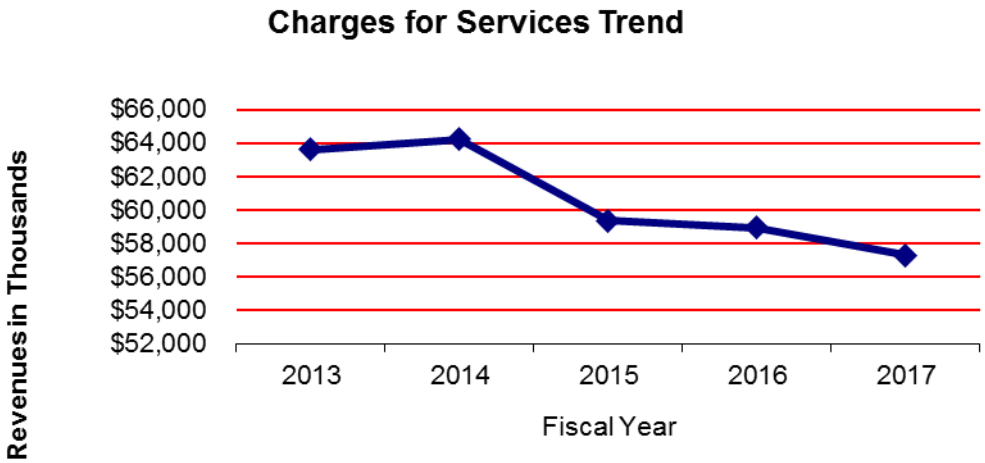

2. **Licenses and Permits.** This category provides $103,700 of the General Fund revenues or 2.27%. The primary sources of revenue are Occupational Taxes, Alcoholic Beverages Licenses, and Building Permits, which include building, plumbing, electrical, HVAC, and similar permits. Alcoholic Beverages Licenses and General Business Licenses/ Occupational Taxes are projected to remain stable at current FY 2016 levels while Building and related permits and fees are projected to decrease from the FY 2016 original budget.

3**. Intergovernmental Revenues.** This category provides $272,968 or 5.96% of the General Fund revenues. The primary sources of revenue are Washington County and Tennille Animal Control, WACO Economic Development -Duraline Rent, Payment in Lieu of Taxes-Housing Authority, and Shared Cost E-911/EMA/SFD. This is a 6.28% decrease from FY 2016.

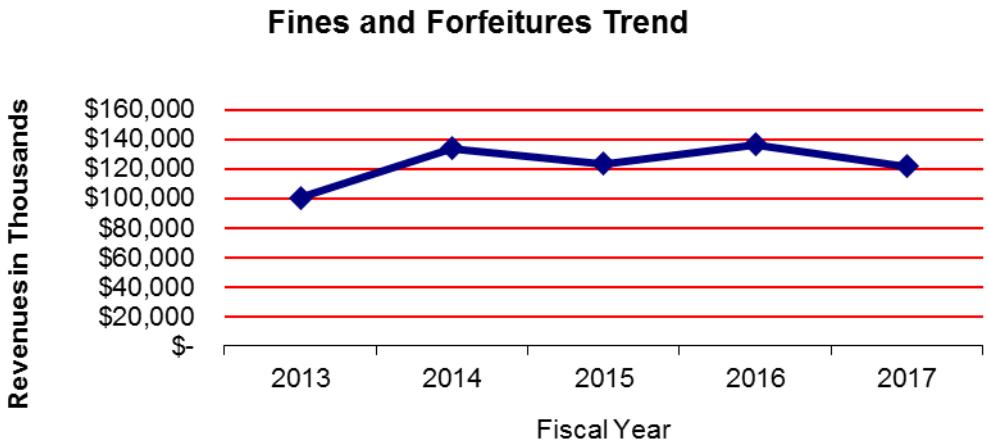

4. **Charges for Services.** This category provides $57,275 or 1.25%, of the General Fund revenues. The primary sources of revenue are Fire Calls, Animal Control and Shelter Fees, and Cemetery Fees. This source is projected to decrease slightly in FY 2017.

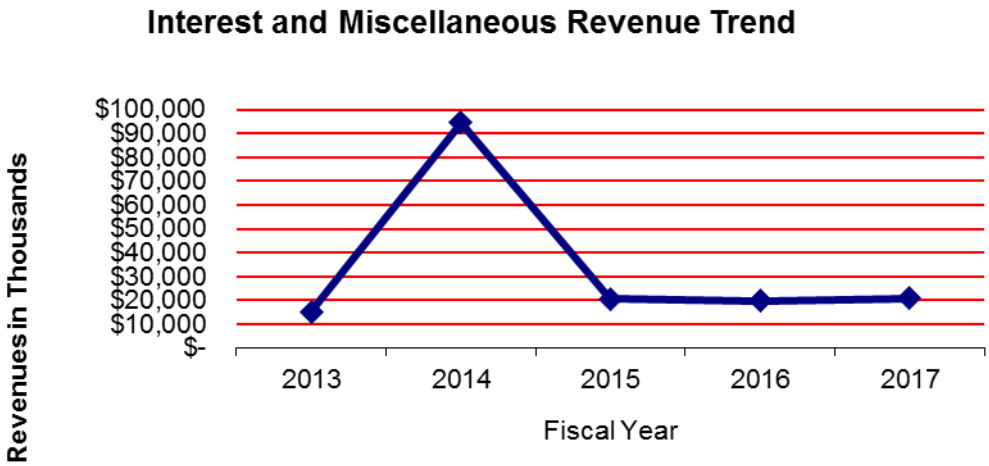

5. **Fines and Forfeitures.** This category provides $121,500 of the General Fund revenues, or 2.65% and includes the fines and forfeitures imposed by the Municipal Court for violations of the Municipal Code and minor violations and infractions of State law dealing with traffic

citations, DUI, and similar offenses. New software was purchased and implemented in 2014 that has improved accuracy and efficiency in the collection of Municipal Court fines.

6. **Earned Interest and Miscellaneous Revenues.** As a result of the City's current banking affiliate eliminating the interest rate paid on the City's funds beginning in FY 2011, this category provides no revenue to the General Fund from Interest or from Contributions but does include $18,550 projected from miscellaneous revenue.

In addition to these six revenue categories, there is the **Other Financing Sources**, which is primarily made up of the *Transfers from Other Funds*. This source of financing which was counted as revenue in the transferring fund, contributes $408,342 or 8.92% of the General Fund's total funding. The transfers for FY 2017 include $238,210 from the Electric Fund, $127,719 from the Water & Sewer Fund, $32,779 from the Solid Waste Collection Fund, and $9,134 from the Telecom Fund. These transfers are indirect cost allocation transfers which account for cost and services provided to these enterprise funds by the General Fund. This reimbursement to the General Fund pays for services provided by the City Administrator,

personnel division, accounting division, utility collections, purchasing, risk management, and other similar services. If these utilities were private companies, they would have to pay property taxes, business licenses and franchise fees to the local government.

Fund Balance Appropriated. Assuming the fund balance of the General Fund is sufficient, the City can use some of the fund balance to balance the General Fund when necessary, however: the proposed FY 2017 Budget is projected to use no fund balance. The City's goal continues to be to work towards attaining the fund balance required to meet the reserve target established in the financial policies that have been adopted by the Mayor and City Council.

The line item budget that follows shows the individual sources of revenue that make up these six major revenue categories, the other sources of financing, and any fund balance appropriation.

Property Taxes

Property Value of $100,000

For residents of the City of Sandersville the total property tax is $4.825 per $1,000 of taxed value. The taxed value is calculated as 40% of the Market Value after homestead exemptions. Assuming property with a market value of $100,000, after the regular homestead exemptions, the result would be:

Projected Tax Bill: $193.00

EXPENDITURES

The General Fund Expenditures are divided into several major departments and divisions to account for the cost of their operations. These expenditures support most of the City's operations other than the utility operations. The Expenditures are summarized on the next page, followed by the line item budgets for each division.

The largest operating expenses are most often the cost of personnel and fringe benefits. A list of approved personnel positions by department and division is provided behind the tab entitled "Authorized Personnel". In addition, the Pay Plan for those positions is provided behind the tab entitled "Proposed Pay Plan and Fringe Benefits". A 1% annual cost of living adjustment (COLA) to the pay plan and a probationary and merit (step) increase of 1.5% for eligible employees is budgeted in fiscal year 2017.

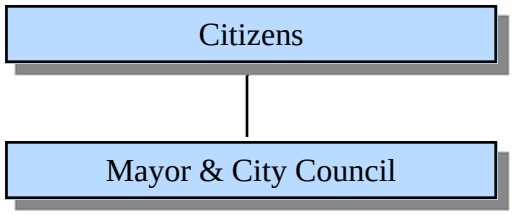

The city's administration continues to express concern over the impact of the rising cost of health care and the fiscal impact of the Tax Reform Bill (HB 386) adopted by the State of Georgia which imposes an automobile title tax fee to replace the sales tax and ad valorem tax on automobiles and eliminates the sales tax on energy used in manufacturing, construction materials and agriculture. In the preparation of the annual budget each year the City reviews the health care benefits provided to city employees and makes adjustments to the benefit structure and premium cost to the individual employee. In FY 2017 the PPO health insurance plan that the City currently offers was eliminated and an additional deductible option was added, giving employees three deductibles to choose from. The City will fund 90% of the premium for individual coverage and 50% of the premium for family coverage of the POS plan with a $1,500 deductible and, each of the other plans at an equal monetary level.

Additionally, individual line items in the operational budgets of each department or division within the General Fund were closely scrutinized in an effort to control or reduce cost as a measure to offset any decreases in revenue in FY 2017. The General Fund budget expenditures for FY 2017 totals $4,524,935, an increase of $22,616 or .50% over the FY 2016 Budget of $4,502,319.

GOVERNING BODY

CITY OF SANDERSVILLE, GA

At Large - Mayor Jimmy Andrews
At Large - Mayor Pro Tem Jeffery Smith
District 1 - Mayme Dennis
District 2 - Henry Watts
District 3 - Martha Armstrong
District 4 - Jason Davis

VOTING DISTRICTS

GOVERNING BODY

The City of Sandersville's Governing Body operates under a Council-Administrator form of government, with a Mayor and five Council Members. Both the Mayor and the Mayor Pro-Tem are elected at large while the four remaining council members are elected by district. All six council members serve four year terms.

The Mayor and Council are responsible for approving all major city policies, all local ordinances, the annual budget, and the 6-year capital improvements program. They also appoint the City Administrator, City Attorney, Municipal Court Judge and all department heads.

OFFICE OF ADMINISTRATION

GENERAL ADMINISTRATION

General Administration includes the City Administrator's office, the City Clerk's office, the Finance Division and utility billing. The City Administrator oversees the administrative functions and daily operations of the city government. She is responsible for preparing the annual budget and capital improvements program, evaluating and supervising all department heads, ensuring that all policies and ordinances are enforced, and recommending policy changes to the mayor and city council.

The City Clerk handles property tax billing and collection, and issuing and collecting occupation taxes and licenses. This office is also responsible for maintaining all official codes, ordinances, records and documents. The City Clerk also serves as the city's human resources director who administers employee benefits and keeps the classification/ compensation plan current and the personnel policies manual current.

The Finance Division is responsible for assisting the City Administrator in the preparation of the Budget and the the Capital Improvements Program. This division prepares the monthly finance reports and works with the auditor to prepare the annual CAFR. It also responsible for accounts payable, payroll, keeping the fixed assets current and administering the city's purchasing policies and procedures.

POLICE DEPARTMENT

POLICE DEPARTMENT

This department is headed by the Chief of Police who oversees 19 sworn officers and 2 civilian personnel. The Police Department provides the customary policing services to our citizens including preventive patrol, traffic enforcement, criminal investigations, crime prevention and drug prevention. The department has two main divisions: patrol division and criminal investigations division.

The patrol division is responsible for preventive patrol, traffic enforcement, and response to calls for service. This division is divided into four shifts so that protection is provided 24 hours per day, 7 days per week. Officers typically work a 43-hour work-week, counting time spent writing reports and attending the various courts in which their cases are presented.

The criminal investigations division is responsible for in-depth investigations of crimes in order to build successful cases for prosecution. The division works closely with the district attorney's office and and investigators from the Georgia Bureau of Investigation, Federal Bureau of Investigation, and the Washington County Sheriff's Office.

The Police Department also oversees the operation of the City's Animal Control division.

FIRE DEPARTMENT

FIRE DEPARTMENT

This department is headed by the Fire Chief and is located at 125 Warthen Street. The department provides fire and rescue services while EMT and paramedic services are provided by the Washington County Emergency Medical Services, located next to Washington County Regional Medical Hospital. The department backs up the EMS as medical first responders. The department operates with 7 Career personnel, 6 part-time employees and 25 volunteers.

The department operates with three 24-hour shifts. This "24 on\48 off" schedule is the industry standard providing 2 personnel on each shift. The Fire Chief works a normal 40-hour per week schedule. The Fire Inspector Captain and Training Captain work a 24 / 48 shift but work as needed on their off days. The Fire Chief is on call and responds to major calls where a more complex incident command system is deployed.

The department is equipped with a 75 foot ladder truck, fire pumpers, fire tankers, hazmat equipment, support trucks, and the usual firefighting equipment. The department has two thermal imaging cameras to aid in search and rescue situations. All units are radio dispatched by the E-911 Center, and all personnel have pagers and 2-way radios. The level of personnel, upgraded equipment, emergency communications, and the City's water system have resulted in a Class 3 ISO fire insurance rating.

The department also covers, by contract with Washington County, an area of approximately 85 square miles as designated by the 911 coverage map. The County pays the City a flat fee each year for this fire protection along with SPLOST funds to cover equipment purchases.

The department also responds to other incidents within the unincorporated areas and into other Cities to assist the volunteer fire departments in Washington County and provides rescue and haz-mat services for the whole county.

The Sandersville Fire Department is heavily involved in fire prevention. The Fire Inspector reviews building plans for compliance with the Life Safety Code and the Fire Code. He works closely with the City's Building Inspector in the Planning & Building Inspections Department in the review of these plans. In addition, the department presents programs to many groups including hundreds of school children throughout Washington County each year.

EXPENDITURES SUMMARY

	FY 2015 Actual	FY 2016 Budgeted	FY 2017 Proposed	Percentage Increase
Personal Services/Benefits	$ 508,349	$ 520,171	$ 521,149	0.19%

STREET DEPARTMENT

STREET DIVISION

The Street Division is responsible for maintaining streets, curb and gutter, drainage ditches, road shoulders and mowing any vacant City properties. This division is also responsible for street sweeping, pothole patching, crack sealing, repairing utility cuts in the pavement, installing all street signs and managing the City's mosquito abatement program. They construct minor catch basins and similar drainage structures, while the large projects are contracted out.

PLANNING & BUILDING INSPECTIONS

PLANNING & BUILDING INSPECTIONS

This division in the General Fund is staffed by the City Planner and Building Inspector who is responsible for land use planning and property maintenance code enforcement including building inspections and nuisance abatement.

The City Planner processes applications for items to be considered by the City's Planning and Zoning Board including zoning changes, subdivision plats, conditional use and variance request. In addition to building permits, this division also reviews applications processed by other departments, such as business licenses and alcoholic beverage permits. The City Planner serves as the zoning administrator and is responsible for the interpretation and enforcement of the City's zoning and subdivision regulations.

The division also works with the Regional Commission to prepare and update the City's comprehensive land use plan as well as the short-term work program.

EXPENDITURES SUMMARY

	FY 2015 Actual	FY 2016 Budgeted	FY 2017 Proposed	Percentage Increase

OTHER AGENCIES

The City provides partial funding for several outside agencies. This section of the General Fund finances those appropriations.

Among the agencies that receive funding from the City of Sandersville are the Washington County Airport Authority, the Rosa M. Tarbutton Library, the UGA Archway Program, the Washington County Recreation/ Senior Center, the DAR, the Washington County Chamber of Commerce, the Downtown Development Authority, and the Washington County Public Facilites Authority for the University System of Georgia Shared Services Center.

CONFISCATED ASSETS FUND

This fund accounts for funds seized for possible illegal activity. When the court adjudicates a case, the money is either released back to the individual, or is forfeited. In some cases, some of the funding goes to the Washington County Clerk of Court, and some is turned over to the City. Those funds turned over to the City are used exclusively to support the Police Department, usually with the purchase of additional equipment. This helps supplement the minor capital budget for the department.

2013 SPECIAL PURPOSE LOCAL OPTION SALES TAX (SPLOST) FUND

In March, 2013, the voters of Washington County approved a referendum for the extension of the 1% Special Purpose Local Option Sales Tax for the purpose of funding capital projects for a six year period the with collection beginning in October, 2014. The proceeds of this tax are disbursed pursuant to intergovernmental agreements negotiated between the seven cities located in Washington County, including the City of Sandersville, and Washington County prior to the referendum.

This is not an additional tax, but an extension for six years of the 2009 SPLOST. This means that the sales tax rate in Washington County remained at 8%: 4% State of Georgia sales tax, 1% Special Purpose Local Option Sales Tax, 1% Local Option Sales Tax (LOST) which is also distributed to the seven cities and Washington County based on intergovernmental agreements, 1% Special Purpose Local Option Sale Tax for Education (E-LOST) for the Washington County Board of Education which will fund major school construction and renovation projects and 1% Transportation Special Purpose Local Option Sales Tax.

TRANSPORTATION FUND

This fund accounts for the receipt and disbursement of Transportation Investment Act funds generated from a regional 1% sales tax to fund transportation projects by priority, and for the receipt and disbursement of LMIG, Local Maintenance and Improvement Grant, funds from the Georgia Department of Transportation. Funds are budgeted in this fund to continue our ongoing repaving/resurfacing/milling program. Funds from FY 2015, FY 2016 and FY 2017 have been reserved in this fund for a downtown master plan including streetscape, parking and greenspace approved by the City Council in FY 2015.

CAPITAL IMPROVEMENTS PROGRAM FUND

This fund accounts for the receipt and disbursement of funds to acquire major general fixed assets for the City. The projects are derived from the first year's listing within the 6-year Capital Improvements Program for the CIP Fund. Other capital projects are funded in the individual utility funds such as the Water and Sewer Fund, the Electric Fund, the Solid Waste Collection Fund, and the Telecom Fund. Some projects are also funded in the 2013 SPLOST Fund and the Transportation (TSPLOST) Fund.

Funding is usually provided by transfers from the Water and Sewer Fund, the Electric Fund, federal and state grants, and Georgia Department of Transportation (GDOT) grants. Projects funded here cost at least $5,000 and have a useful life of at least two years. Some projects may have a smaller dollar amount if they are a carryover from the previous year when a project was not finished by year-end. Some capital projects take longer than one fiscal year to complete, requiring the remainder of the project to be funded in the following fiscal year(s). Projects retain the same Project Number and accounting line item in subsequent years in order to easily track a multiple-year project.

The savings from projects or purchases that come in under the budgeted amount in any line item at fiscal year-end go into the fund balance, which can be appropriated in a subsequent year for other projects.

A summary of the six-year Capital Improvements Program to be financed from the Capital Improvements Fund is included at the beginning of this section, with more detailed information on each project following thereafter. The annual impact on the operating budget is included on the back of each project sheet.

CITY OF SANDERSVILLE, GEORGIA **CAPITAL IMPROVEMENTS PROGRAM**

PROJECT	FD - 11	FIREHOUSE ROOF REPAIR AND SEAL	
DEPARTMENT	FIRE	**FUNCTION**	HOUSES FIRE PERSONNEL, VEHICLES, & EQUIPMENT 36 year old structure
DESCRIPTION	This project involves pressure cleaning the rust, dirt, mildew, and debris from the fire station roof. Sealing and/or replacing all screws Apply primer to metal roof and apply a final sealer coating to include a 10 year warranty		
STATUS			

PROJECT BUDGET	**PROPOSED FY 2017**	**PROJECTED FOR FUTURE YEARS**					
		FY 2018	**FY 2019**	**FY 2020**	**FY 2021**	**FY 2022**	**TOTAL**
EXPENDITURE ALLOCATION							
Roof Repair & Seal	$ 29,500.00						$ 29,500.00
TOTAL ALLOCATION	$ 29,500.00	$ -	$ -	$ -	$ -	$ -	$ 29,500.00
SOURCES OF FUNDS							
SPLOST 2013	$ 29,500.00						$ 29,500.00
TOTAL FUNDS	$ 29,500.00	$ -	$ -	$ -	$ -	$ -	$ 29,500.00

CITY OF SANDERSVILLE, GEORGIA

JUSTIFICATION

The roof has numerous leaks during a hard blowing type rain event. The roof has been patched and screws tightened and/or replaced a couple of times since it was new.
We have upgraded the wall paint, windows, exterior trim, gutters, radio tower, water fill tower, lighting, bay floor coating, parking lot coating, parking stripping, and signage.
The roof improvement would complete the plan of bringing our fire station up to standards for many years ahead.

CITY OF SANDERSVILLE, GEORGIA

JUSTIFICATION

East Haynes Street has been approached for rehabilatation in the past. It has failed due to the fact that it will require utility work and has not qualified as a streetscape canidate. The city will use TSPLOST funds along with LMIG funds and in-house funding, resources and labor. The section of the city located on E.Haynes Street is in desperate need of repair to sidewalks and roads. This commerical area fails to match the sister sections of the downtown area in beauty and quality of service. There is very limited parking available to the merchants who operate businesses on E. Haynes Street. Revitalization will bring a new life into this blighted area.

WATER DEPARTMENT

WATER AND SEWER FUND

This fund accounts for the receipts and disbursements to finance the City's Water and Sewer Department. This department is responsible for water treatment, storage, and the distribution system as well as the wastewater collection, pumping, and treatment system. This fund also supports the Infiltration & Inflow Division which inspects and repairs the City's sewer lines.

SPLOST funds and GEFA loans are used to finance major projects in this fund. Any SPLOST funds used for water and wastewater projects are spent within the SPLOST Fund, with the completed project then transferred to this fund as a fixed asset. The City charges fees for service based upon actual consumption with rates set to cover the cost of personnel, operations, equipment and improvements, debt service, and extensions of the systems.

ELECTRIC DEPARTMENT

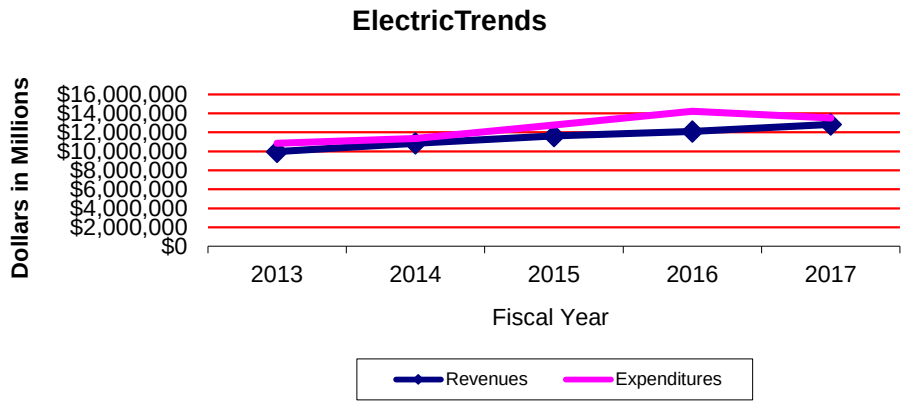

ELECTRIC FUND

This fund is used to account for the receipts and disbursements in the City's electric utility. In 1976, the City along with 45 other cities and one county entered into a power sales contract with the Municipal Electric Authority of Georgia (MEAG). Under the terms of the agreement which was extended in 2004, MEAG provides and the cities are obligated to purchase, all of their bulk power supply requirements for a period not to exceed 50 years.

In 2007, the City purchased additional interest in MEAG's power sales contract from the City of College Park Georgia. This obligation is paid as a part of the City's monthly power purchases from MEAG.

EXPENSES SUMMARY

	FY 2015 Actual	FY 2016 Budgeted	FY 2017 Proposed	Percentage Increase
Personal Services/Benefits	$ 614,506	$ 614,472	$ 569,125	-7.38%

SOLID WASTE COLLECTION

SOLID WASTE COLLECTION FUND

This fund accounts for the receipts and disbursements to operate the City's solid waste collection systems for commercial, residential and yard waste. It is financed by the monthly sanitation fees paid by the customers. The City contracts with Precision Waste Services to provide commercial collection services using front-end loading trucks and dumpsters picked up on a schedule agreed to by the customer and City. Customers are charged an amount determined by the cubic yard size of the dumpster used, and the number of times per week it is serviced.

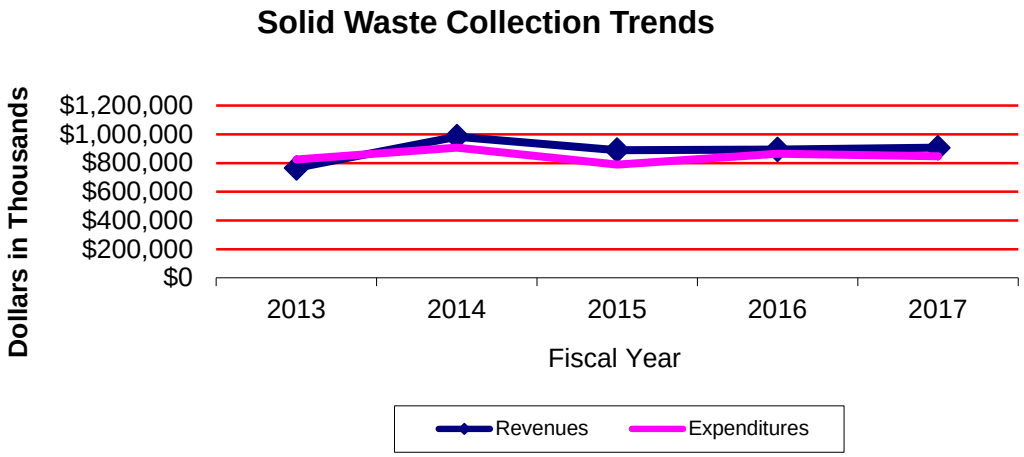

The City also contracts with Precision Waste Services to provide residential collection using polycarts that citizens take to the curbside for once per week service. White goods are collected curbside throughout the City following a route system.

Yard waste and leaf and limbs are picked up by city workers curbside one time each week following a route system. The City contracts with M. W. Collins, Inc. to mulch and haul away the City's leaf and limb debris. This service is included in the residential fee paid by the customer.

Curbside pickup of residential recyclables is provided in-houe by city workers at no cost to the customer.

EXPENSES SUMMARY

	FY 2015 Actual	FY 2016 Budgeted	FY 2017 Proposed	Percentage Increase
Personal Services/Benefits	$ 70,799	$ 115,743	$ 109,507	-5.39%
Purchase/Contract Services	$ 655,218	$ 671,651	$ 664,369	-1.08%
Supplies	$ 8,870	$ 13,600	$ 10,100	-25.74%
Capital Outlay (Minor)	$ -	$ -	$ -	0.00%
Interfund Dept. Charges	$ -	$ -	$ -	0.00%
Depreciation	$ 26,488	$ 24,600	$ 24,600	0.00%
Other Costs	$ 22,475	$ 35,500	$ 35,500	0.00%
Debt Service	$ 3,722	$ 2,966	$ 2,183	0.00%

CITY OF SANDERSVILLE, GEORGIA
WASHINGTON COUNTY
THE KAOLIN CITY
ESTABLISHED 1796

TELECOM

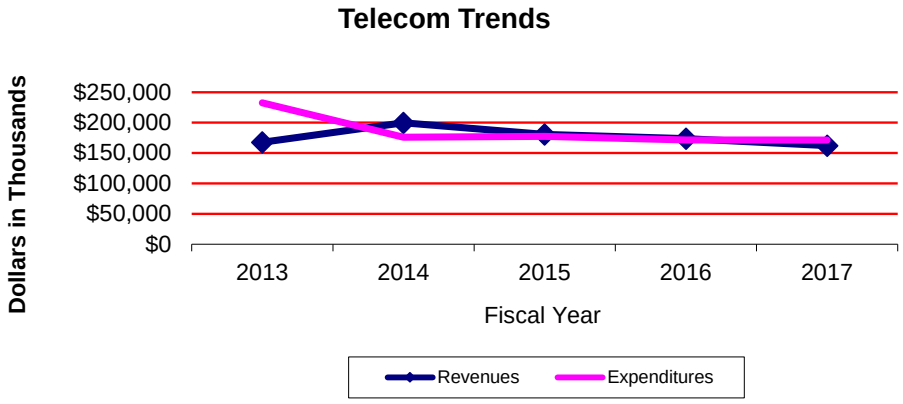

TELECOMMUNICATIONS (TELECOM) FUND

The Telecommunications (Telecom) Department funds the City's inhouse needs for information technology services including standardizing software and hardware purchased to allow employees to to share files electronically and to provide for a backup and disaster recovery plan for the City's vital records. This department is responsible for network design, installation and maintenance of the City's technology information systems.

The Telecom Department is also responsible for marketing and maintaining the City's fiber network and providing service to telecom and dial-up customers. Fiber optic communication exchanges information from one place to another by sending pulses of light into an optical fiber. Fiber optic communication and related technology represents the foundation of fiber high speed Internet connections.

DEBT SERVICE SCHEDULES

The Debt Service Schedules presented in this section provide a summary of the debt service obligations of the City at the beginning of FY 2017. Listed are the City's annual installment payments of principal and interest for previous capital improvement projects or acquisitions funded through debt financing.

According to the Georgia Constitution, a city's legal debt margin for general obligation debt is ten percent (10%) of the total assessed property values within the city limits. Currently, the City has no outstanding general obligation debt.

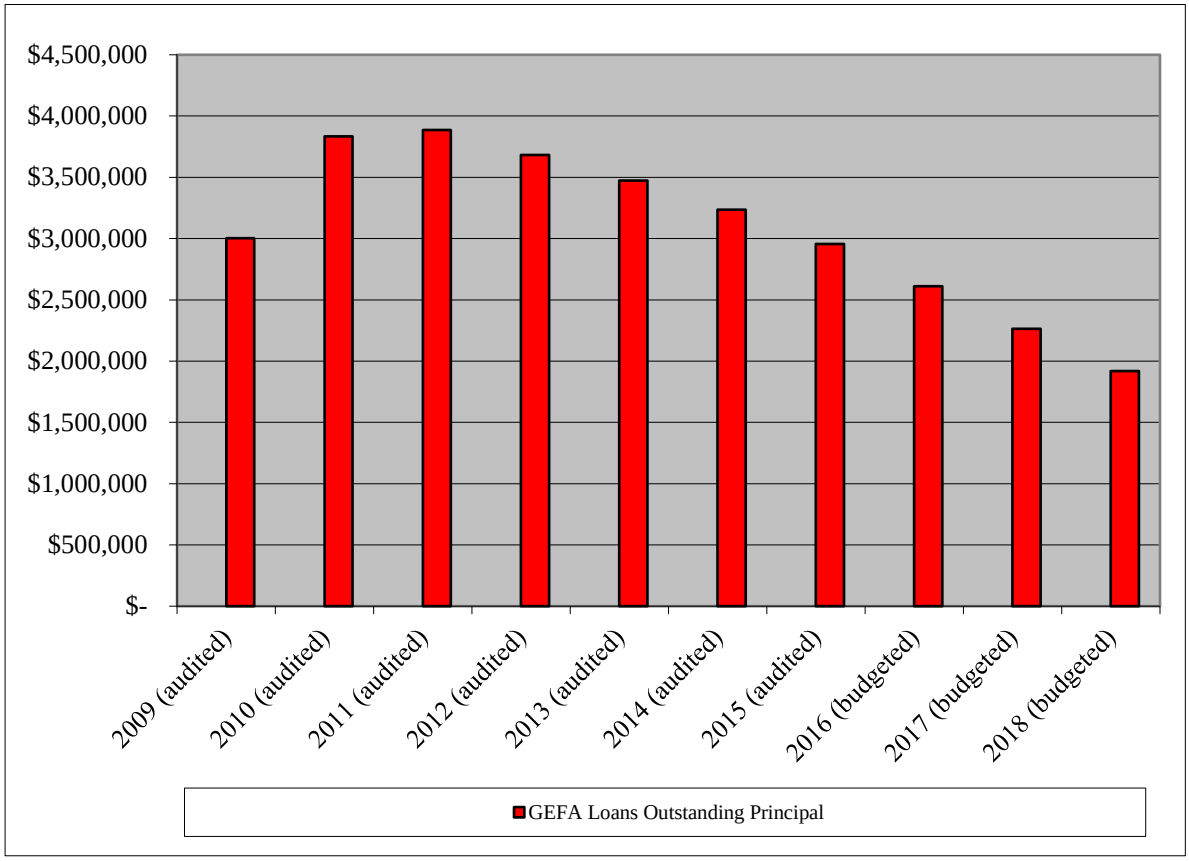

In the Electric Fund, there are currently no debt obligations reflected on the City's financial statements; however, Sandersville, along with 45 other cities and one county, has contractual agreements with the Municipal Electric Authority of Georgia (MEAG) to guarantee a portion of debt for the output and services of generating units acquired or constructed by MEAG for the generation of power. The City also is obligated for the purchase of additional interest in MEAG's power sales contract from the City of College Park, Georgia.

In the Water and Sewer Fund, the City currently has three loans with the Georgia Environmental Facilities Authority for infrastructure projects.

In the Solid Waste Collection Fund, the City currently has one loan with the Georgia Municipal Association for the purchase of equipment.

Glossary of Terms

Accrual Basis - A basis of accounting in which transactions are recognized at the time they are incurred, as opposed to when cash is received or spent.

Activity - Departmental efforts which contribute to the achievement of a specific set of program objectives; the smallest unit of the program budget.

Ad Valorem Taxes - Commonly referred to as property taxes, are levied on both real and personal property according to the property's valuation and the tax rate.

Allot - To divide an appropriation into amounts, which may be encumbered or expended during an allotment period.

Annualize - Taking changes that occurred mid-year and calculating their cost for a full year, for the purpose of preparing an annual budget.

Appropriation - A legal authorization to incur obligations and to make expenditures for specific purposes.

Assessed Valuation - The valuation set upon real estate and certain personal property by the Assessor as a basis for levying property taxes.

Assessment Ratio - The ratio at which the tax rate is applied to the tax base.

Asset-- Resources owned or held by a government which have monetary value.

Attrition - A method of achieving reduction in personnel by not refilling the positions vacated through resignation, reassignment, transfer, retirement, or means other than layoffs.

Authorized Positions - Employee positions, which are authorized in the adopted budget, to be filled during the year.

Available (Undesignated) Fund Balance - This refers to the funds remaining from the prior year which are available for appropriation and expenditure in the current year.

Base Budget - Cost if continuing the existing levels of service in the current budget year.

Bond - A long-term I.O.U. or promise to pay. It is a promise to repay a specified

amount of money (the face amount of the bond) on a particular date (the maturity date). Bonds are primarily used to finance capital projects.

General Obligation (G.O.) Bond - This type of bond is backed by the full faith, credit and taxing power of the government.

Revenue Bond - This type of bond is backed only by the revenues from a specific enterprise or project, such as a hospital or toll road.

Balanced Budget - A budget in which planned revenues available equals planned expenditures.

Basis of Accounting - A system used by an individual government to determine when revenues have been realized and when expenditures have been incurred. The City uses the modified accrual method.

Basis of Budgeting – A system used by an individual government to determine when budgetary revenues have been realized and when budgetary expenditures have been incurred. The City uses the modified accrual method.

Bond Refinancing - The payoff and re-issuance of bonds, to obtain better interest rates and/or bond conditions.

Budget - A plan of financial activity for a specified period of time (fiscal year or biennium) indicating all planned revenues and expenses for the budget period.

Budgetary Basis - This refers to the basis of accounting used to estimate financing sources and uses in the budget. This generally takes one of three forms: GAAP, cash, or modified accrual.

Budget Calendar - The schedule of key dates that a government follows in preparation and adoption of the budget.

Budgetary Control- The control or management of a government in accordance with the approved budget for the purpose of keeping expenditures within the limitations of available appropriations and resources.

Capital Assets - Assets of significant value and having a useful life of several years. Capital assets are also called fixed assets. The City of Statesboro defines them as assets costing at least $5,000 and a useful life of two or more years.

Capital Budget - The appropriation of bonds or operating revenue for improvements to facilities, and other infrastructure.

Capital Improvements - Expenditures related to the acquisition, expansion or rehabilitation of an element of the government's physical plant; sometimes referred to as infrastructure. It also includes vehicle and equipment replacement.

Capital Improvements Program (CIP) - A plan for capital outlay to be incurred each year over a fixed number of years to meet capital needs arising from the government's long-term needs.

Capital Outlay - Fixed assets which have a value of $500 or more and have a useful economic lifetime of more than one year; or, assets of any value if the nature of the item is such that it must be controlled for custody purposes as fixed asset.

Capital Project - Major construction, acquisition, or renovation activities which add value to a government's physical assets or significantly increase their useful life. Also called capital improvements.

Capital Reserve - An account used to segregate a portion of the government's equity to be used for future capital program expenditures. The amount of capital reserve is roughly equal to the government's annual equipment depreciation and an amount identified as being needed for future capital acquisition.

Commodities - Expendable items that are consumable or have a short life span. Examples include office supplies, gasoline, minor equipment, and asphalt.

Constant or Real Dollars - The presentation of dollar amounts adjusted for inflation to reflect the teal purchasing power of money as compared to a certain point in time in
the past.

Consumer Price Index (CPI) - A statistical description of price levels provided by the U.S. Department of Labor. The index issued as a measure of the increase in the cost of living (i.e., economic inflation).

Contingency - A budgetary reserve set-aside for emergencies or unforeseen expenditures not otherwise budgeted.

Contractual Services - Services rendered to a government by private firms, individuals, or other governmental agencies. Examples include utilities, rent, maintenance agreements, and professional consulting services.

Cost-of-living Adjustment (COLA) - An increase in salaries to offset the adverse effect of inflation on compensation.

Debt Service - The cost of paying principal and interest on borrowed money according to a predetermined payment schedule.

Dedicated Tax - A tax levied to support a specific government program or purpose. .

Deficit - The excess of an entity's liabilities over its assets or the excess of expenditures or expenses over revenues during a single accounting period.

Department - The basic organizational unit of government which is functionally unique in its delivery of services.

Depreciation - Expiration in the service life of capital assets attributable to wear and tear, deterioration, action of the physical elements, inadequacy or obsolescence.

Development-related Fees - Those fees and charges generated by building, development and growth in a community. Included are building and street permits, development review fees and zoning, platting and subdivision fees.

Disbursement - The expenditure of monies from an account.

Distinguished Budget Presentation Awards Program - A voluntary awards program administered by the Government Finance Officers Association to encourage governments to prepare effective budget documents.

Employee (or Fringe) Benefits - Contribution made by a government to meet commitments or obligations for employee fringe benefits. Included are the government's share of costs for Social Security and the various pension, medical and life insurance plans.

Encumbrance - The commitment of appropriated funds to purchase an item or service. To encumber funds means to set aside or commit funds for a specified future expenditure.

Entitlements - Payments to which local governmental units are entitled, pursuant to and allocation formula determined by the agency providing the monies, usually the state or the federal government.

Expenditure - The payment of Cash on the transfer of property or services for the purpose of acquiring an asset, service or settling a loss.

Expense - Charges incurred (whether paid immediately or unpaid) for operations, maintenance, interest or other charges.

Fiscal Policy - A government's policies with respect to revenues, spending, and debt management as these relate to government services, programs and capital investment. Fiscal policy provides an agreed-upon set of principles for the planning and programming of government budgets and their funding.

Fiscal Year - A twelve-month period designated as the operating year for accounting and budgeting purposes in an organization. The City's fiscal year is July 1st through June 30th.

Fixed Assets - Assets of long-term character that are intended to continue to be held or used, such as land, buildings, machinery, furniture, and other equipment.

Fun Faith and Credit - A pledge of a government's taxing power to repay debt obligations.

Full-time Equivalent Position (FTE) - A part-time position converted to the decimal equivalent of a full-time position based on 2080 hours per year. For example, a part-time typist working for 20 hours per week would be the equivalent to .5 of a full-time position.

Function - A group of related activities aimed at accomplishing a major service of regulatory program for which a government is responsible (e.g., public safety).

Fund - A fiscal entity with revenues and expenses which are segregated for the purpose of carrying out a specific purpose or activity.

Fund Balance - The excess of the assets of a fund over its liabilities, reserves, and carryover.

GAAP - Generally Accepted Accounting Principles. Uniform minimum standards for financial accounting and recording, encompassing the conventions, rules, and procedures that define accepted accounting principles.

Goal - A statement of broad direction, purpose or intent based on the needs of the community. A goal is general and timeless.

Grants - A contribution by a government or other organization to support a particular function. Grants may be classified as either operational or capital, depending upon the grantee.

Indirect Cost - A cost necessary for the functioning of the organization as a whole, but which cannot be directly assigned to one service.

Infrastructure - The physical assets of a government (e.g., streets, water, sewer, public buildings and parks).

Interfund Transfers - The movement of monies between funds of the same governmental entity.

Intergovernmental Revenue - Funds received from federal, state and other local government sources in the form of grants, shared revenues, and payments in lieu of taxes.

Internal Service Charges - The charges to user departments for internal services provided by another government agency, such as data processing, or insurance funded from a central pool.

Lapsing Appropriation - An appropriation made for a certain period of time, generally for the budget year. At the end of the specified period, any unexpected or unencumbered balance lapses or ends, unless otherwise provided by law.

Legal level of control - The lowest level of budgetary detail at which a local government's management or budget officer may not reassign resources without approval of the governing authority. The legal level of control shall be, at a minimum, expenditures for each department for each fund for which a budget is required. This does not preclude the governing authority of a local government from establishing a legal level of control at a more detailed level of budgetary control than the minimum required legal level of control.

Levy - To impose taxes for the support of government activities.

Line-item Budget - A budget prepared along departmental lines that focuses on what is to be bought.

Long-term Debt - Debt with at maturity of more than one year after the date of issuance.

Materials and Supplies - Expendable materials and operating supplies necessary to conduct departmental operations.

Mill - The property tax rate which is based on the valuation of property. A tax rate of one mill produces one dollar of taxes on each $1,000 of assessed property valuation.

Modified Accrual – Basis of accounting according to which (a) revenues are recognized in the accounting period in which they become available and measurable and (b) expenditures are recognized in the accounting period in which the fund liability is incurred, if measurable except for unmatured interest on general long-term debt and certain similar accrued obligations, which should be recognized when due.

Net Budget - The legally adopted budget less all interfund transfers and interdepartmental charges.

Nominal Dollars - The presentation of dollar amounts not adjusted for inflation. Adjusting for inflation would be done to reflect the real purchasing power of money today.

Object of Expenditure - An expenditure classification, referring to the lowest and most detailed level of classification, such as electricity, office supplies, asphalt, and furniture.

Objective - Something to be accomplished in specific well-defined, and measurable terms and that is achievable within a specific time frame.

Obligations - Amounts which a government may be legally required to meet out of its resources. They include not only actual liabilities, but also encumbrances not yet paid.

Operating Revenue - Funds that the government receives as income to pay for ongoing operations. It includes such items as taxes, fees from specific services, interest earnings, and grant revenues. Operating revenues are used to pay for day-to-day services.

Operating Expenses - The cost of personnel, materials and equipment required for a department to function.

Output Indicator - A unit of work accomplished, without reference to the resources required to do the work (e.g., number of permits issued, number of refuse collections made, or number of burglary arrests made). Output indicators do not reflect the effectiveness or efficiency of the work performed.

Pay-as-you-go-Basis - A term used to describe a financial policy by which capital outlays are financed from current revenues rather than through borrowing.

Performance Budget - A budget wherein expenditures are based primarily upon measurable performance of activities and work programs.

Performance Indicators - Specific quantitative and qualitative measures of work performed as an objective of specific departments or programs.

Performance Measure - Data collected to determine how effective or efficient a program is in achieving objectives.

Personal Services - Expenditures for salaries, wages, and fringe benefits of a government's employees.

Prior- Year Encumbrances - Obligations from previous fiscal years in the form of purchase orders, contracts or salary commitments which are chargeable to an appropriation, and for which a part of the appropriation is reserved. The cease to be encumbrances when the obligations are paid or otherwise terminated.

Program - A group of related activities performed by one or more organizational units for the purpose of accomplishing a function for which the government is responsible.

Program Budget - A budget which allocates money to the functions or activities of a government rather than to specific items of cost or to specific departments.

Program Performance Budget - A method of budgeting whereby the services provided to the residents are broken down in identifiable service programs or performance units. A unit can be a department, a division, or a workgroup. Each program has an identifiable service or output and objectives to effectively provide the service. The effectiveness and efficiency of providing the service by the program is measured by performance indicators.

Program Revenue (Income) ~ Revenues earned by a program, including fees for services, license and permit fees, and fines.

Purpose - A broad statement of the goals, in terms of meeting public service needs that a department is organized to meet.

Reserve - An account used either to set aside budgeted revenues that are not required for expenditure in the current budget year or to earmark revenues for a specific future purpose.

Resolution - A special or temporary order of a legislative body; an order of a legislative body requiring less legal formality than an ordinance or statute.

Resources - Total amounts available for appropriation including estimated revenues, fund transfers, and beginning balances.

Retained Earnings - The accumulated earnings of an Enterprise or Internal Service Fund which have been retained or held in the fund and which are not reserved for any specific purpose.

Revenue - Sources of income financing the operations of government.

Service Level - Services or products which comprise actual or expected out-put of a given program. Focus is on results, not measures of workload.

Source of Revenue - Revenues are classified according to their source or point of origin.

SPLOST - Special Purpose Local Option Sales Tax – a sales tax imposed County wide for a predetermined period of time for a specific purpose, primarily funding capital projects and equipment. SPLOST must be approved by the citizens of the County by a majority vote in a special referendum election.

Supplemental Appropriation - An additional appropriation made by the governing body after the budget year or biennium has started.

Supplemental Requests - Programs and services, which departments would like to have added (in priority order) over their target budget, or if revenue received is greater than anticipated. .

Target Budget - Desirable expenditure levels provided to departments in developing the coming year's recommended budget. Based on the prior year's adopted budget, excluding one-time expenditures, projected revenues and reserve requirements.

Tax Levy - The resultant product when the tax rate per one hundred dollars is multiplied by the tax base.

Taxes - Compulsory charges levied by a government for the purpose of financing services performed for the common benefit of the people. This term does not include specific charges made against particular persons or property for current or permanent benefit, such as special assessments.

Transfers In/Out - Amounts transferred from one fund to another to assist in financing the services for the recipient fund.

TSPLOST – Transportation Special Purpose Local Option Sales Tax – a one-cent sales tax voted on by each of Georgia’s twelve economic development regions for a ten year period of time for a specific purpose, primarily funding an indentified list of transportation improvements in each region where the tax referendum is approved.

Unencumbered Balance - The amount of an appropriation that is neither expended nor encumbered. It is essentially the amount of money still available for future purposes.

Unreserved Fund Balance - The portion of a fund's balance that is not restricted for a specific purpose and is available for general appropriation.

User Charges - The payment of a fee for direct receipt of a public service by the party who benefits from the service.

Variable Cost - A cost that increases/decreases with increases/decreases in the amount of service provided such as the payment of wages.

Working Capital- Excess of current assets over current liabilities.

Workload Indicator - A unit of work to be done (e.g., number of permit applications received, the number of households receiving refuse collection service, or the number of burglaries to be investigated).

Work Years - The amount of personnel resources required for a program expressed in terms of the "full-time equivalent" number of employees. One "work year" is equal to one full-time, year round employee. For most categories, this equals 2080 hours per year (40 hours per week times 52 weeks). The number of hours a part-time employee is budgeted to work during the year is divided by 2080 to arrive at the equivalent number of “work years” for the position.
