BRYAN COUNTY
BOARD OF COMMISSIONERS
SERVICE PHILOSOPHY

To provide to the residents of Bryan County, high quality essential services and as many other services as tax dollars will allow with priorities established by the Board of Commissioners; to spend and account for tax dollars in a responsible manner; to be responsive to the needs and concerns of the citizens, as well as the Board of Commissioners; to conduct business in an open and professional manner and with no favoritism to anyone; and an umbrella over all of this is integrity.

PRINCIPALS OF PUBLIC SERVICE ETHICS

*INTEREST: Treat your office as a public trust, only using the power and resources to advance public interests and not to attain personal benefit or pursue any other private interest incompatible with the public good.

*OBJECTIVE JUDGMENT: Employ independent, objective judgment in performing your duties, deciding all matters on their merits, free from avoidable conflicts of interest and both real and apparent influences.

*ACCOUNTABILITY: Assure that government is conducted openly, equitably, and honorably in a manner that permits the citizenry to make informed judgments and hold government officials accountable.

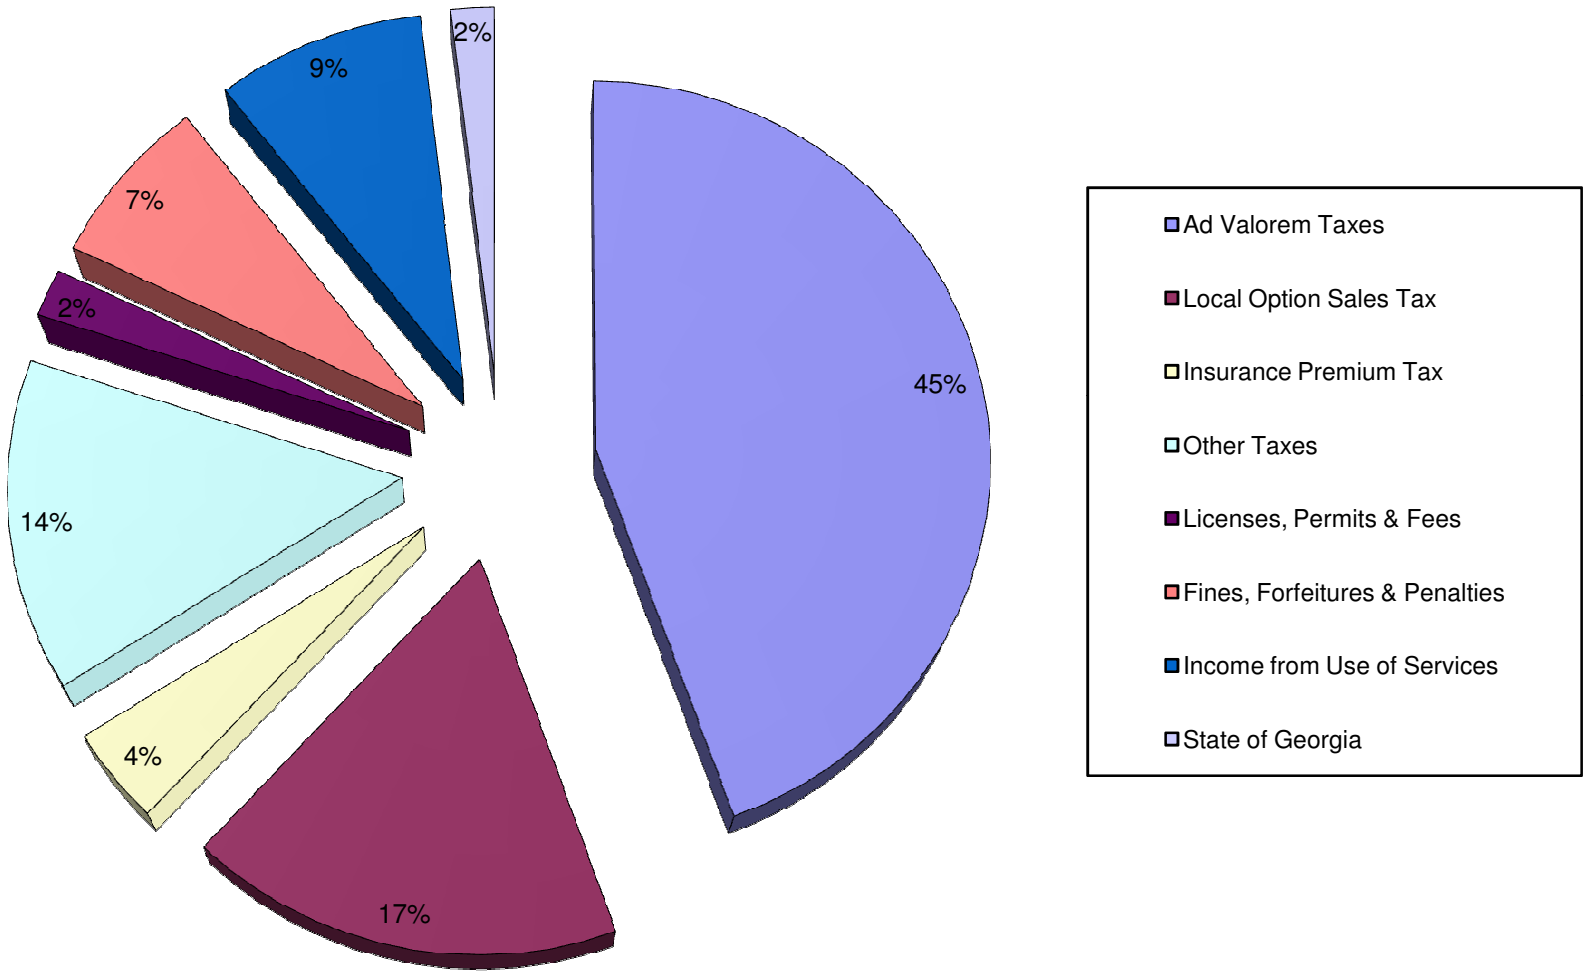

*DEMOCRATIC LEADERSHIP: Honor and respect the principles and spirit of representative democraacy and set a positive example of good citizenship by scrupulously observing the letter and spirit of laws and rules.

*RESPECTABILITY: Safeguard public confidence in the integrity of government by being honest, fair, caring and respectful and by avoiding conduct creating the appearance of impropriety or which is otherwise unbefitting a public official.
