Mission Statement: Provide superior public services in a fiscally responsible manner in partnership with our community by promoting the health, safety and general welfare of all Charlton County citizens while fostering the expansion of economic development and protecting and improving our natural resources.

MEMORANDUM

TO:	The Honorable Board of Commissioners
FROM:	Hampton D. Raulerson Jr., County Administrator
DATE:	November 10th, 2021
SUBJECT:	Proposed Fiscal Year 2022 Budget

Enclosed for your review and approval is the recommended budget for Fiscal Year 2022. The County's budget cycle begins in the spring of each year with the creation of the Budget Calendar by the County Administrator along with the Budget Committee. The Budget Committee consists of two (2) County Commissioners and one (1) Alternate County Commissioner (selected at the first Commissioner Meeting of the year), the County Administrator and the Finance Coordinator of Charlton County. At the beginning of each year, a meeting is held with Department Heads to discuss the budget process and the expectations for the budget. The Budget Calendar establishes timelines for the delivery of goals and objectives for each department, requests for technology items, requests for capital, requests for personnel and a requested operating budget. Beginning at the end of June, the Budget Committee has its first meeting to overview the previous Fiscal Year as well as the current adopted Fiscal Year Budget.

For this year's Budget Committee, the members are as follows:

1. Alphya Benefield – District 1 Commissioner
2. Jesse Crews – District 3 Commissioner (Alternate)
3. Luke Gowen – District 5 Commissioner
4. Hampton Raulerson – County Administrator
5. Becky Harden – Finance/Human Resource Coordinator

Based on the desires and efforts of the Board of Commissioners planning directive, along with the Budget Committee recommendations, efforts and attempts to meet all departmental requests were made. The Budget Committee worked to ensure that each department was heard, and their concerns noted.

I would like to thank all the Constitutional Officers and Department Heads for working with our Budget Committee to meet their needs while keeping costs in check. I want to show my appreciation and gratitude to Commissioners Alphya Benefield, Jesse Crews and Luke Gowen, and our Finance/Human Resources Coordinator Becky Harden who gave so much time in compiling, listening, and constructing a sound and responsible budget for your consideration.

FINANCIAL PLANNING POLICIES

BALANCED BUDGET

The Charlton County Budget shall be balanced for each budgeted fund. Total anticipated annual revenues plus any appropriated fund balance shall equal total estimated expenditures for each governmental fund type.

LEVEL OF BUDGET ADOPTION

All budgets shall be adopted at the legal level of budgetary control, which is the department level. Expenditures may not exceed the total budget for any department within a fund without the Board of Commissioner's approval. All budgets shall be adopted on a basis consistent with the Generally Accepted Accounting Principles (GAAP) as promulgated by the Government Accounting Standards Board (GASB).

BUDGETARY CONTROL/REPORTS

A system of budgetary controls shall be maintained to ensure adherence to the budget. Timely monthly financial reports shall be prepared comparing actual revenues, expenditures and encumbrances with budgeted amounts.

AUTHORIZATION OF BUDGET ADJUSTMENTS

The budget is a dynamic, rather than static revenue and spending plan, which requires adjustments from time to time. The Board of Commissioner's must approve these amendments for any department who is requesting or shall encumber an overage in their total fund. The Board of Commissioner's must also approve any increases in the level of authorized positions, or changes to capital outlay items. The County Administrator is authorized to approve budget transfers within the department, except transfers within a department to or from salaries and benefits accounts, to or from fixed assets, or transfers to any travel or training account.

BUDGET AMENDMENT PROCESS

The Board of Commissioners shall authorize necessary budget adjustments by budget resolution. Any supplemental budget resolutions shall be balanced for each and every fund.

BUDGET LAPSES AT YEAR END

All operating budget appropriations, except for Capital Project Funds, shall expire at the end of a Fiscal Year. In accordance with GAAP, purchases encumbered in the current year but not received until the following year are paid from the following year's budget.

BUDGET BASIS

Governmental funds recognize revenues and expenditures under the modified accrual basis of accounting to include encumbrances. Modified accrual basis recognizes revenue as it becomes available and measurable and recognizes expenditures when the related liability is incurred. The County's integrated accounting and budget system is equipped to perform encumbrance accounting.

LEGAL AUTHORITY OVERVIEW

Annually, the County Administrator must submit a proposed balanced budget governing expenditures and revenues of all county funds. The budget shall be adopted by the Board of Commissioners prior to the beginning of the Fiscal Year to which it applies, which for Charlton County is January 1 – December 31.

REVENUE POLICIES

REVENUE ESTIMATION

The County will estimate its annual revenues by an objective, analytical process, wherever practical. The County will project revenues for the next year and potential revenue sources will be revaluated annually.

FEDERAL AND STATE GRANTS

The Board of Commissioners shall approve all grants and grant applications. All Federal and State grants shall be subject to the County's accounting and budgetary policies. All key financial provisions, including required local match, shall be included in the approval process. Accounting and budgeting information shall be inclusive of the Federal and State participation as well as the local participation. Provisions shall be made in the County's annual budget for anticipated grants. Through the annual budget resolution, the County Administrator or designee is authorized to establish budgets pursuant to approved grant contracts and adjust so that grant budgets are balanced.

CONTRIBUTIONS

Unless authorized by the Board of Commissioners, contributions to programs operated by County departments shall be subject to the County's accounting and budgetary policies. The County welcomes both unrestricted and restricted contributions compatible with the County's programs and objectives. Any material contributions shall be appropriated by the Board of Commissioners prior to expenditure.

EXPENDITURE POLICIES

Charlton County has utilized long-term debt in the past to fund and assist the Emergency Medical Services of the Charlton Memorial Hospital that was struggling to operate on its own. Shortly thereafter, the hospital closed and since that time the County was left with a looming debt which has since been paid off as of December 2016.

- *General Obligation (GO) Bonds*
- *Revenue Bonds*
