INDEPENDENT AUDITORS' REPORT ON SPECIAL 1 PERCENT SALES AND USE TAX

The Town Council
Dupont, Georgia

I have audited the accompanying Schedule of Special Purpose Local Option Sales Tax for the Town of Dupont, Georgia for the year ended December 31, 2018. This schedule is the responsibility of the Town of Dupont's management. My responsibility is to express an opinion on the Schedule of Special Purpose Local Option Sales Tax based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the Schedule of Special Local Option Sales Tax is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the Schedule of Special Purpose Local Option Sales Tax. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the Schedule of Special Purpose Local Option Sales Tax. I believe that my audit provides a reasonable basis for my opinion.

The accompanying Schedule of Special Purpose Local Option Sales Tax was prepared for the purpose of complying with the Official Code of Georgia Annotated, 48-8-121 pm the modified accrual basis of accounting used form the Special Purpose Local Option Sales Tax schedule and is not intended to be a complete presentation of the Town of Duponts's revenues and expenditures.

In my opinion, the Schedule of Special Purpose Local Option Sales Tax referred to above presents fairly, in all material respects, the original estimated cost, the current estimated cost, and the current and prior year expenditures for each project in the Town of Dupont's resolution or ordinance calling for the tax for the year ended December 31, 2018, in conformity with accounting principles generally accepted in the United States of America.
